MISCELLANEOUS REGULATIONS.

I. The Assembly's Stated Clerk.

Besides discharging the duties named in Form of Government, the Assembly Stated Clerk is required:

1. To discharge the duties of Engrossing Clerk, appointing such Temporary Clerks at each meeting of the Assembly as may be needed for his assistance. Minutes 1872, p. 31; 1873, p. 34.

2. To furnish proper statistical blanks to the Stated Clerks of the lower Church Courts. Minutes 1873, p. 34; 1897, pp. 24, 26.

3. To report inefficient Stated Clerks to their Presbyteries and Synods. Minutes 1889, p. 52; 1891, p. 15; 1898, p. 51.

4. As far as he can do so, consistently with other duties, to visit Church Courts and congregations and give encouragement and direction toward the general welfare of the Church, being permitted to use also the title "General Traveling Secretary." See Minutes of 1901, p. 115.

5. The Stated Clerk's salary is $1,200 per annum. See Minutes, year 1920, page 126.

6. He shall also employ such press reporters during the sessions of the Assembly as may be necessary to give the Assembly news publicity. See Minutes of 1916, p. 35.

7. The Stated Clerk of the General Assembly was instructed not to publish in the Minutes of the General Assembly any communications or reports unfavorably considered by the Assembly. (See page 27, Minutes of 1917 Assembly.)

8. We recommend that the printing of the Minutes of the General Assembly (until further ordered) be done by our own printing plant, the New Cumberland Press, and that it be paid a price of not exceeding ten per cent above cost. (See page 103, Minutes of 1917 Assembly.)

II. The Assembly Treasurer.

The Stated Clerk shall also act as the Assembly's Treasurer for the collection and handling of Contingent Tax. See Minutes of 1900, p. 47.

III. The Assembly's Contingent Tax.

The Assembly's Contingent Tax shall be five cents per resident member, due July 1, each year. Minutes, 1914, p. 146; 1908, p. 99. Statement sent by Stated Clerk July 1, based on resident members, to each Presbyterial Treasurer. Minutes, 1898, p. 63; 1903, p. 7.

The Assembly's Stated Clerk is not authorized to remit the tax of a Presbytery. Any Presbytery regarding itself as, from any cause, entitled to relief from this tax or any portion thereof, may, by the counsel of and direction of its Synod, petition the Assembly to that effect. Minutes, 1898, p. 73.

IV. The Assembly's Minutes.

The Assembly Minutes will be sent, free of charge, to ordained ministers, clerks of sessions, the various Boards, and schools of the Church, such Synodical and Presbyterial Stated Clerks and Treasurers as are not ministers or session clerks, to those appointed by the Assembly to serve on committees in the interim of Assembly meetings, to the Stated Clerk's Exchanges, to all members of each Assembly, and a copy is to be sent to any probationer requesting it and sending ten cents to cover postage. Others desiring the Minutes can secure them by addressing Rev. D. W. Fooks, Paducah, Ky., and enclosing 50 cents. Minutes, 1897, p. 46; 1903, p. 66; 1904, p. 66.

V. Presbyterial and Synodical Meetings.

The Assembly directs that every Presbytery shall hold a "spring meeting," and as early as possible; that the Stated Clerks of Presbyteries shall have their reports in the hands of the Assembly's Stated Clerk not later than April 1; also that summer meetings of Church Courts shall be held late in the season, in order that there may have been sufficient time to become familiar with the deliverances of the Assembly. See pp. 39, 67; Minutes, 1898, p. 52.

VI. Stated Clerks of Presbyteries.

1. The Assembly recommends that, as a matter of convenience and efficiency, Presbytery shall select the same person to serve as its Stated Clerk and Treasurer where this is practicable. Minutes, 1897, p. 63.

2. This Assembly makes it a standing order that the Stated Clerks of the Presbyteries are to have their statistical, financial, and other reports in the hands of the General Assembly's Stated Clerk by April 1 of each year, that there may be no delay in publishing the Minutes of the General Assembly.

3. The Stated Clerk of the General Assembly has been directed not to delay the publishing of the Minutes on account of any delay in Presbyterial reports; and, in default of report from the Stated Clerk in any Presbytery, he shall publish the report as given the year before. Minutes of 1909, p. 91.

4. That this General Assembly require all Stated Clerks of Presbyteries, Synods, and sessions to faithfully perform all duties entrusted to them. All such clerks who will not discharge their respective duties shall be ordered to resign by the court having jurisdiction over them. (See minutes for year 1918, pages 24, 113.)

5. In order to bring about a more uniform system of Church work and statistics, it is order that the ecclesiastical year begin April 1 and close March 31, and that all statistical blanks be made to conform thereto. (See minutes of General Assembly, year 1919, page 104.)

VII. Examination of Assembly Minutes.

The Asembly directs that each Church Court, from session to Synod, at its first meeting after the appearance of the Assembly Minutes, shall conduct in open meeting a careful examination on the Minutes, as a means of discovering whether there be errors and omissions in the same and who is responsible therefor, so that the Clerks of Church Courts may be held to rigid account for the discharge of their official duties. (See Minutes for 1901, p. 77.)

VIII. Report of Board and Permanent Committees.

1. All the Assembly's Boards, Permanent Committees, and Stated Clerks of Presbyteries are ordered to close their books promptly on or before April 1, and to have their annual report in the hands of the Stated Clerk not later than April 1, in order that he may print the same and send them to commisioners in advance of the Assembly's meeting. (See Minutes for 1901, p. 117; 1903, p. 66; 1917, p. 29.)

2. When the books and papers of any Board of this General Assembly, receiving and paying out money for any purpose, are submitted to a special auditing committee prior to the meeting of the Assembly, such books, papers, receipts, stubs, etc., together with report of said special committee shall be submitted to the Assembly's regular auditing committee. (See Assembly Minutes for year 1916, page 121.)

"Whereas, there seems to be a tendency among all the churches to compromise more and more with the world, not recognizing the command, 'Come out from among them and be ye separate, saith the Lord, and touch not the unclean thing.'

And, whereas, too many, both in the pulpit and in the pew, are looking with some degree of allowance on the card table, the dance, and the miserable, debauching, modern dress, public swimming pool, Sunday ball, and obscene pictures in our picture shows; therefore be it

Resolved: That it is the sense of this General Assembly that all such should be discouraged and that we reaffirm in our next minutes the acts of our former General Assemblies, and that our ministers read the same from their pulpits and urge a reform in the modern dress of our girls among the mothers and Christian workers of our churches; thus, placing our beloved Church in an uncompromising

position with the modern sins now trying to break down the walls of partition between the world and the Church."

MEMORIAL TO THE GENERAL ASSEMBLY FROM OZARK PRESBYTERY.

The Ozark Presbytery respectfully ask your venerable and reverend body to rescind the act of the General Assembly, held in the year 1905, the said act which is reported in the present official digest of the acts of the General Assembly of our Church, on page 85 and paragraph 13, and constructing the constitution of our Church as sustaining double voting in our Presbyteries, which to our mind is not the correct interpretation of our constitution.

Done by order of Missouri Synod in regular session this the 23rd day of August, 1920. R. M. KING, Stated Clerk.

MEMORIAL FROM THE EDUCATIONAL ENDOWMENT COMMITTEE REGARDING EXPENSE ACCOUNT OF SCHOOL LOCATION COMMITTEE.

To the Ninety-First General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo., May 19-25, 1921:

Dear Fathers and Brethren: The expense of the first meeting of the Committee on School Location was $188.24, and after conference between the Secretary of the Location Committee and the Secretary-Treasurer of your Educational Endowment Commission, these brethren thought it unwise to start a campaign to raise this expense.

We, your Educational Endowment Commission, concurring in the view of these brethren, hereby memorialize your worshipful body to authorize us to pay the expenses of the first meeting of the Committee on School Location, amounting to $188.24 out of our expense fund.

This memorial authorized at a meeting of our Commission, held in Nashville, Tenn. The Educational Endowment Commission.

A MEMORIAL FROM THE BOARD OF MINISTERIAL RELIEF.

To the Ninety-First General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo.:

Dear Fathers and Brethren: For several years the Board of Ministerial Relief has been interested in the matter pertaining to the establishing of an Orphans' Home and Home for Old or Disabled Ministers and their wives, to fill the increasing demand of our denomination along these lines.

The Home at Bowling Green, Ky., has in a manner supplied this need, but on account of this property not being the property of the Church or of the Board of Ministerial Relief, neither the Church nor the Board can consistently appeal to the constituency of the Church for funds to enlarge the Home which is even now entirely inadequate to meet the demands, and, further, because of the Home in its present location, even tough it were the property of the denomination, being very unsatisfactory because of not being arranged for the proper employment of the children during vacation, there being nothing whatever except the garden to employ the energies of the several boys who are in the Home.

Because of the above mentioned reasons, the Board of Ministerial Relief has elected a committee to investigate such sites as may offer a solution of the problem, with a view of leasing or purchasing such property or premises as will meet the demands of the denomination relative to these very important phases of our work.

We respectfully memorialize the General Assembly to ratify the action of the Board relative to this proposition.

CHAS. E. COOPER, Recording Secretary;
JOHN A. McLANE, Cor. Sec. and Treas.

RESIGNATION OF MEMBER OF BOARD OF MINISTERIAL RELIEF.

To the Ninety-First General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo., May 19-25:

Fathers and Brethren: Inasmuch as I have served as a member of the Board of Ministerial Relief of the General Assembly for eight years, and from the fact that I am now locating in the extreme eastern part of Tennessee and that throwing me so far away from the meeting place of your Board, costing the Board so much to

make it possible for me to meet with them, I herewith offer my resignation and most respectfully ask the Assembly to elect some one in my place.

Very respectfully, your servant,

Loudon, Tenn. REV. J. M. COOK.

RESIGNATION OF A MEMBER OF THE BOARD OF MINISTERIAL RELIEF.

Mt. Vernon, Ill., March 24, 1921.

To the General Assembly of the Cumberland Presbyterian Church in session at Greenfield, Mo.:

Because of the infirmities of old age making it impossible for me to attend any of the meetings of the Board or perform any duties of the same, I hereby tender my resignation as a member of the Board of Ministerial Relief, to take effect at the regular meeting in May, 1921. Wm. H. HUTCHINSON.

AN APPEAL.

An extensive file of papers both for and against the decision of Pacific Synod, which refused to review a case coming up from Los Angeles Presbytery. This appeal is made by Mrs. Emma R. Means, Stated Clerk of Los Angeles Presbytery. The objection to the appeal is entered by Miss Gurdon Sitton, Stated Clerk of Pacific Synod. All papers enter at length into the argument of the case.

A PETITION FOR CONSTRUCTIVE MISSIONARY WORK.

To the Ninety-First General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo., May 19, 1921:

Dear Fathers and Brethren: We, the Cumberland Presbyterian ministers of Nashville, Tenn., and vicinity, assembled at the Y. M. C. A. Building of this city, this the 9th day of May, 1921, do hereby and herein most humbly petition you to give consideration to the following proposition:

For many years we have been witnessing numbers of young people dedicate their lives to the purpose of God's cause in the Cumberland Presbyterian Church; but as yet there has been no definite work planned and set apart for them to do. We feel that the time has come for this to be done. Many of our country congregations are going to pieces, their members are moving into the cities, and where this is not the condition there are other things that are weakening the country churches, and they become discouraged and in many cases disband. In the cities we find that there are hundreds and even thousands that have moved in from these country churches, but who have never become affiliated with the city churches, and in this way hundreds of members are lost to the Church each year. Now, after having considered this in our Ministers' Association of this city, we submit the plan to you and trust that you will give it your profound consideration.

1. That one Sunday in each month be set apart for Missions in the Sunday School and that each Sunday school shall on this day give considerations to and instructions in missions, as to its need, etc. And that an offering be taken for home mission work as hereinafter designated in this petition. That these offerings be sent to the Presbyterial Board of Missions.

2. That the General Assembly instruct all of its Presbyteries to organize Presbyterial Boards of Missions, where there are none already, and that these Boards shall be auxiliary to the Assembly's Board of Missions.

3. That the work of these Boards be of this nature: (a) To assist weak congregations. (b) To reorganize disheartened and disbanded congregations. (c) To assist and co-operate with pastors in city churches in putting on campaigns to reach Cumberland Presbyterians who have come into their locality and endeavor to line

them up with the Church. (d) That the offering received on "Missions in the Sunday School Day," be used for the above purposes. (e) That such persons as have dedicated or shall dedicate their lives for service in our Church be employed to do this work, and that their expenses be paid, and such remuneration for their services as the Presbyterial Board may arrange with said persons.

Adopted by a unanimous vote of the Cumberland Presbyterial Ministerial Association of Nashville, Tenn., in session at the Y. M. C. A., May 9, 1921.

W. Y. DURRETT, President;
ROBERT ALEXANDER, Secretary and Treasurer.

MEMORIAL FROM LOGAN PRESBYTERY REGARDING COMMERCIAL PRINTING.

To the General Assembly of the Cumberland Presbyterian Church, in its ninety-first meeting, at Greenfield, Mo.:

Moderator and Brethren: The Logan Presbytery, in its regular spring meeting, held at Lewisburg, Ky., March 29-30, 1921, would respectfully memorialize your reverend body to rescind its former action whereby it restricted the Board of Publication in reference to commercial printing, and allow the Board to use its own judgment in the amount of outside, or commercial work. (Signed)

J. P. CAMPBELL, Moderator;
J. T. WILSON, Stated Clerk and Treas.

REPORTS

ANNUAL REPORT OF THE CUMBERLAND PRESBYTERIAN BOARD OF EDUCATION.

To the Moderator and Brethren of the General Assembly of the Cumberland Presbyterian Church, Greenfield, Mo.:

Dear Brethren: Your Board of Education present you, herewith, our annual report for the year ending April 1, 1921:

We feel, considering the strenuous times of the past year, that we have much to encourage us in our educational undertakings. The Church could not hope to be untouched, during these days, by the calamities which always follow in the wake of a great war; and, of course, true to our expectations and the traditions of the past, we are helping the world to pay the price of folly and war.

The financial depression of the past year, no doubt, very largely diminished the amount of offerings for the benevolences of our Church; yet, notwithstanding, the receipts of our Board were thirty-four percent greater than for the previous year. This certainly indicates a condition which should cause us to have courage and press on to the accomplishment of all our educational aims.

Our beneficiaries this year number thirty-one. And we believe them to be as fine a class as we have ever had. Several of them are graduating from Bethel College, this year, and will go out to be a credit to our cause. With the assistance our Board is now giving to young men and women who come properly recommended, it is entirely inexcusable that any of them should, for want of funds, leave school before graduation. We believe that this fact should be emphasized in the Presbyteries throughout our bounds, and that there should be a Church-wide spirit of cooperation, demanding of our boys and girls the very best training possible. This is a time when the sophistries of the agnostic and the atheist are getting a hold in the minds of many. It is necessary that we have men of strong intellectuality and spirituality who are capable of uncovering the fallacies of false doctrine and able to defend, in an irrefutable way, the doctrines of Jesus Christ.

Your Board of Education desires to co-operate in an effort to bring our Church to the very forefront in matters of education. We believe that what our Church has enabled us to do, in the past, has had the sanction and blessings of our Heavenly Father, and that our Church is receiving bounteous dividends of consecrated and efficient service from the money and the efforts which have been put into the work of our Board. Since the year 1909, we have given financial assistance to one hundred and twenty-two. Out of this number have developed some of our very best ministers who are filling, to-day, in a creditable way, some of the most responsible places in our Church.

We call your attention to the expiration of the term of office of class three, composed of Rev. C. A. Davis, Salisbury, Tenn.; Rev. A. C. Biddle, Clarksville, Tenn.; and Ruling Elder J. W. Burney, Union City, Tenn. We make no recommendation as to whom you should elect to succeed these brethren, believing that in your deliberations you will be guided to do the things that are best.

We are impressed, more and more, with the efficiency of our Budget Plan, and we ask, for this year, the same percent of the Budget we have been allotted heretofore. Our prospective needs can be taken car of if we are given twenty percent of the Budget, but a smaller allotment would cause us anxiety. So we beg you, if it is possible, to leave our allotment unchanged.

We have given support to Bethel College again this year, and because of the good reports which have come to us of the work done there, during the past year, we believe this to have been a very important part of our work, and we desire, if it is needed, to continue to lend a helping hand.

As to our educational outlook, we are encouraged to hope that our dreams are coming to be realities, and that the near future will find us possessed of the one

denominational school which we have worked and prayed for, where our boys and girls can be educated in an atmosphere that is strictly Christian, and where the deceptive and ruinous doctrines of atheism will never be tolerated.

Praying that the guiding hand of our Heavenly Father may lead this General Assembly in all of its deliberations to do that which is wise and best and humbly awaiting your directions, we are,

Respectfully,

A. C. BIDDLE President;
W. B. CUNNINGHAM, Sec. and Treas.;

REPORT OF THE BOARD OF MISSIONS AND CHURCH ERECTION.

Dear Brethren: God, in his goodness, has permitted us to live another year and work for him and for the Church we love. We come now to report to you what we have done. We have tried to resuscitate some of the congregations and to start a church in some of the many important cities within our bounds. How well we have succeeded, you must decide. In most of the States where we once had strong and growing churches is now missionary territory for us. To build churches in this territory is slow work, for many reasons, one of them being: Some of the members we have in these places have heard so often the Church is virtually dead, and the few who remain are so poor they cannot do anything. In one of your Presbyteries, the Presbyterian Church, U. S. A., brought suit for one of our churches. The judge decided that since the higher courts had decided there was no Cumberland Presbyterian Church, he must decide in favor of the Presbyterian Church, U. S. A. We are sorry to say there are some people who believe the Cumberland Presbyterian Church is dead. It is singularly, then, why suits are brought here and there against a Church that does not exist. We take pleasure in saying that many who believed we were dead, now know we are very much alive. The sun of a brighter day for our Church is now sending up rays of light which portend a glorious day for us, for the Church which we believe in was born of God. If we will keep humble and close to God, using for him the money he has committed to us, as he requires, and consecrating to him the power he has given us, we will very soon regain much more than we have lost in property and money and members. We will become one of the greatest soul-winning Churches in North America. Throughout your bounds a number of churches that were abandoned are now being repaired and the scattered members are being brought together, and regular services are being held; and where we have lost the church buildings in a number of places, new houses are being built.

We have much to encourage us. As a denomination, we need to humble ourselves before God and plead with him to call men into the ministry. This Assembly

should appoint a day of prayer to Almighty God to call men into the ministry. We need men to go into all the States where we once had churches and establish congregations. There is not a city in all of the States west of the Mississippi River where we could not have a church, if we had the man called of God to preach the everlasting gospel and the money to sustain him while he is building a self-sustaining church. We would get the money if we had the man. The Lord will give us the man if we will importune him to do so.

WHAT THE BOARD IS DOING.

Alabama Synod.

The Board is supplementing the salary of Rev. T. B. Nation at Chepultepec and Oneonta, $40 a month. On account of the short crop in that part of the State and the low price of cotton, we had to increase his salary from $20 a month to $40. Brother Nation's reports are encouraging. We hope it will not be long until these Churches will be able to take care of themselves.

Synod of Arkansas.

Harrison.—Rev. J. G. King began preaching to this Church in August two Sabbaths each month. In five months the Church had grown so that the congregation asked for all his time. On January 1, 1921, he began preaching there all of his time. From August 1, 1920, to January 1, 1921, we supplemented his salary, $12.50 per month. Since then the Board is supplementing his salary of $25 a month. The monthly reports from this congregation are very encouraging. They are taking subscriptions to build a manse. Later they have bought a manse.

DeQueen.—Rev. G. E. Greer is the missionary in charge, whose salary we are supplementing, $25 per month. Because of a flood in the locality, the planters lost their crops, therefore we had to increase his salary from $10 to $25 per month.

Indianola Synod.

Wangoner.—Rev. J. B. Ray was the pastor here until November 1, 1920. The Board supplemented his salary, $10 per month. On November 1, 1920, a Cumberland Presbyterian minister, an army chaplain, who is stationed so near Wagoner that he is supplying them without any expense to the Board. The last report we had from the Church there was doing well.

Muskogee.—Rev. T. J. Tanner is the missionary at this place. The Board supplements his salary, $25 per month. The Sabbath school has grown so that the church is too small. How to take care of the Sabbath school is a question that is not easily answered when building material is so high and money so scarce. The only solution to the problem is to enlarge the church building, if building material is high, for that is cheaper than turning away those who want to attend and who might be brought to Christ by the faithfulness of the teachers.

Synod of Mississippi.

Rev. E. C. Newbern was preaching to a Church in Yazoo Presbytery, whose salary we supplemented, $8.33 per month, until November 1, 1920, when he quit.

Simmons.—Rev. J. D. Caldwell is the missionary at this place, whose salary the Board is supplementing, $10 per month.

Synod of Missouri.

Campbell.—Rev. T. G. Reid is the missionary, whose salary the Board supplements, $15 per month. Brother Reid reports the work is prospering. He finds the people are hungry for the gospel. The southeast portion of the Synod is all missionary territory. Recently Rev. A. M. Buchanan, President of the Board of Missions and Church Erection, held a meeting there, which resulted in the conversion of one hundred and eight and more than doubled the membership.

Springfield.—Rev. J. B. Eshman is the missionary, whose salary the Board supplements, $15 per month. Brother Eshman says the work is growing. The church is too small for the Sabbath school. They will either build or enlarge the present building during the year.

Ozark Presbytery.—Rev. J. F. Daughtery, for missionary work in the Mt. Carmel and Gum Springs Churches, the Board paid him $10.

West Plains Presbytery.—Rev. E. T. King was Presbyterial missionary from April 1, 1920, to August 31, 1920, when he stated that the work would support him.

Pacific Synod.

Merced.—Rev. W. M. Freeze is the missionary at this place. Every department of this congregation is in a prosperous condition. The membership is increasing slowly. While Merced is not on a boom, there are some plants which are being established which will bring many families into the town. Among these plants are a fig and peach packing plant and a pottery plant. These plants will employ hundreds of people. The prospects for our Church in Merced are growing brighter. The Board supplements the pastor's salary, $25 per month.

Fresno.—While Rev. D. W. Fooks was in San Francisco, he would go to Fresno Friday night, do all the pastoral work he could on Saturday, and preach on Sabbath. Brother Fooks' work has been a great help to our Church in Fresno. Rev. W. H. Watson is the missionary at this place. He took charge the second Sabbath in March, 1921. With Brother Watson as their pastor, we see no reason why this Church should not prosper. The Board supplements his salary, $25 per month.

Synod of Texas.

Caddo.—Rev. J. L. Elliott is the missionary, whose salary the Board supplements, $50 per month. Caddo became self-sustaining March 31. Nineteen months ago, when Brother Elliott began work there, we did not own a lot; now we have a good building paid for and a self-sustaining congregation. This is an illustration of what hard work will do and what might be done in many places if we had the men fitted for the work.

Gainesville.—Rev. W. B. Andress is the missionary here, whose salary the Board supplements, $25 per month. Brother Andress reports everything is encouraging.

Cleburne.—Rev. O. N. Baucom is the missionary at this place. The Board supplements his salary of $25 per month. This Church is growing and has bright prospects. The last of January Brother Baucom resigned. Rev. R. E. Matlock is now the missionary at Cleburne.

Gorden City and Leonard Churches.—Rev. Archie Yell was the missionary at these Churches for a short time. He has resigned. The Board supplemented his salary, $15 per month.

Church Erection.

The Board has bought a lot in Los Angeles for the Highland Park Church, for which we paid $750, which lot is ten miles from the First Church. We have a deed to this lot. The Highland Park Church is to reimburse the Board, in easy payments, as the Church is able. Mrs. Means, the clerk of the session, says the lot could be sold for a thousand dollars or more. Los Angeles is growing rapidly. We should not be satisfied with two churches in Los Angeles. We should start other missions in this rapidly growing city.

Kansas City Mo.

The Board bought a lot in this city for which we paid $1,025. We hold a deed to the lot. The lot is well located in a rapidly growing part of the city. We know of no more large important city than Kansas City is to us as a Church. We ought to be building the church right now. The lack of money has prevented us starting the building.

McGee Presbytery.—The U. S. A.'s sued for the Mt. Carmel Church and gained the suit. To help our people build a church, the Board gave them one hundred dollars. The church is now finished except the seats, which are ordered.

Sedalia.—Brother J. E. Eberts held a mortgage on this church for $3,000, which was reduced to $975. Brother Ebertss needing the money, the Board took up the mortgage, with the understanding that the Sedalia congregation and the Synod of Missouri will pay the debt on the Sedalia Church, $100 of which has already been paid.

Oklahoma Presbytery.

A storm wrecked the Mar's Hill Church. The Board gave the congregation $200 to help them rebuild their church.

Tecumseh Church.

The Board loaned the Tecumseh Church $1,000 to help them pay for their church building, taking two notes of $500 each. One note is to be paid July 23, 1921, the other note July 23, 1922. These notes are secured by a deed of trust on the church. The pastor, Rev. L. B. Crawford, in a recent letter, said we are now raising the money to pay off the first note, which is due July 23, 1921.

Of all the questions and matters of interest claiming the attention of the Cumberland Presbyterian Church, there is none more important than that of home missions. There are scores of communities within the bounds of our Church where we have a faithful few good people. With a little sympathy and assistance, many of these communities could be developed into live, active congregations in a remarkably short time. Every day we delay we lose, because our old people are passing away and the young people are living in sin or are finding homes in other Churches. Because of experience of recent years, our denomination occupies a unique position. No other denomination has had such experiences. A proper understanding of the situation now, with reasonable interest, and management, will mean the salvation of large numbers of priceless souls with a corresponding increase in members and contributions to the Church we love.

A Word to Our Pople.

Cumberland Presbyterians to whom the Lord has intrusted money should make the Board of Missions and Church Erection one of his or her heirs. The money bequeathed to the Board will be preaching the gospel while the saint is rejoicing in glory, which preaching will continue to the end of time, bringing a rich reward to the donor.

Terms of Office Which Expire at This Assembly.

BOARD OF PUBLICATION'S ANNUAL REPORT.

April 1, 1920, to April 1, 1921.

To the Ninety-First General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo., May 19-24, 1921:

Dear Fathers and Brethren: In presenting this our annual report, we do so with a peculiar sense of pride and joy, in that we are coming to you with the best annual report in the history of your publication interests since 1906.

In reviewing the reports of recent years, we find that there has been a steady increase in the volume of business, value of assets and quality of literature produced and sold by your House.

Your Board is conscious of the fact that your publishing interests have not reached the high goal for which we are striving. It is not attributable, however, to negligence or inattention on the part of your Board, for we have endeavored faithfully to remove the barriers and overcome the obstacles incident to your publishing interests.

We appreciate very much that cordial spirit of co-operation and patronage the constituency has given us during the past year, and we regret that it has not been the universal patronage for which we have hoped and prayed.

A careful and impartial study of this report will reveal some interesting facts, viz:

The Cumberland Presbyterian.

The Cumberland Presbyterian as a periodical stands out prominently as one of the best religious papers published in all the country and deserves the commenda-

tion and patronage of every Cumberland Presbyterian. While it is true that the paper is not self-sustaining, this fact is easily accounted for in the fact that its maintenance is, under the present order almost entirely dependent upon its subscription. It has been the policy of the Board to eliminate from its pages much of the better paying "ads," because of their questionable nature. So that the advertisements carried for the past year have not exceeded seven hundred dollars. The present subscription to the paper is, in round numbers, eight thousand and five hundred. While, as stated above, the paper is not self-sustaining, we call your attention to the fact that had the now outstanding subscription accounts been paid, the reverse would be true, as may be seen from the financial exhibit.

Sunday School Literature.

We call your attention to the fact that we continued Rev. W. H. McLeskey as Editor and Field Secretary, and that so far as the Board has been advised, this has met with universal approbation. For further detail of his work, we refer you to his report submitted to us which follows:

To the Board of Publication, Sunday School and Young People's Work:

Dear Brethren: The year which has come and gone has been filled with duty. My hands, my head and my heart have been full to overflowing. But notwithstanding the labor and responsibility, it has been one of pleasure; because the favor of God has seemed to rest upon us and has given prosperity to the cause. As Editor, I have tried to look as far into every phase and detail of the material for and arrangements of our Sunday school literate as has been possible for me to do, trying to make ours second to none. How well I have succeeded in this, I leave for your judgment. Our contributors have fully co-operated and tried to comply with every request which I have made for the betterment of the literature.

In the Printing Plant, in the main, I have had hearty co-operation in trying to get the work done so that mailing might be done in time, also that the workmanship might be of a high order.

As Field Secretary, I have been diligently visiting Synods, Presbyteries, Churches, and Conventions; stimulating the work. Our output of literature has been materially increased; I think one-fifth.

There is a general awakening throughout our bounds regarding Sunday school work. Many teacher-training classes have been formed. In fact, every phase of the work is encouraging. I have sought, and have succeeded, in many Presbyteries to have a Presbyterial Superintendent appointed and the Presbytery organized. My travels have extended to Illinois, Indiana, Kentucky, Mississippi, Alabama, Tennessee, Oklahoma, and Texas, by proxy. Of the financial side of the work, I will say nothing, as the Treasurer will place that before you. I am now arranging a faculty and a course of study for a school of methods from which we expect much good. With a very deep appreciation of the way in which the Board has co-operated and stood by me in every effort to advance the cause, also an appreciation for all who have in any way helped. I am yours faithfully and fraternally,

W. H. McLESKEY.

Much progress has been made in the way of improvements in each unit of the Sunday school literature, with more to follow. We are delighted to call your attention to the very satisfactory fact that our Editor has worked out a plan and put into practical application a graded course, which is admirably adapted to all classes and conditions of our Sunday school interests. Your Board has co-operated and brought off the presses these graded courses, which are neatly and substantially bound, and which are most heartily recommended to all our schools. We also issued one of the best Children's Day Programs ever sent out and recommend its use to all our schools. The Cumberland Pearl and Our Little Children are on par with any and excel many similar periodicals published in the interest of Sunday school and Young People's Work, whether by sister denominations or by independent houses. We urge all our schools and Young People's Societies to take them, read, and critically compare them, both from the standpoint of composition and illustration, with any other similar publications.

We especially and gladly call your attention to the ever increasing popularity of all our Sunday school productions, as is so well shown in the steady annual increase

in the sale of same for the past few years, which may be seen from the following annual sales:

1918-1919——$12,819.30.
1919-1920——$14,222.39.
1920-1921——$17,920.82.

Book Department.

In this department, during the past year, we have brought out a number of booklets, many of them being the entire graded course as above mentioned. We are pleased to call your attention to the greatly increased patronage in this department, the past year's sales showing an increase of about seventy-five percent over the previous year. This is, as it should be, in these times of stress and making of many books, when our homes need the safeguard of wholesome literature. Calls still come for the bringing out of other books, which we shall be glad to answer as we find ourselves financially able.

Job Department.

We have kept faith and done about our usual amount of job printing, which, due to restrictions heretofore placed on such work, is not what it should or could be. For, in reality, this Department should yield the principle revenues of the house.

Finally, we submit the Manager's report and financial exhibit, viz:

Manager's Report.

To the Cumberland Presbyterian Board of Publication, Sunday School and Young People's Work:

Brethren: By your appointment, I became Manager of your business in January, 1917, and I am therefore reporting to you the work of my fourth year, which ended March 31, 1921.

The period covered by my term of service as your Manager has been one of high prices for labor and for all material used in the production of all sorts of printed matter; and since the prices at which your products have been sold have been very low, when compared with the cost of production, I have found it very hard to show any high percent of profits. However, because of the help received from the Budget for a continuance of which you should ask and from friends to the work of your Board, I have been enabled to, from year to year, show an increase in the assets above liabilities of your Plant.

The first three years of my service as your Manager were, as you all know, years of reconstruction and debt paying. When I took charge of your business in 1917 your Plant was heavily in debt. Since that time you bought The Cumberland Presbyterian Banner, its plant, and good will at an agreed price of $10,500.00, but which, when the expense of moving and repairing the machinery had been met, and the interest of defered payments had been paid, made the aggregate cost of the investment, in round numbers, $12,000.00. Then by your authority I bought the house in which your plant was located, including two building lots, at a cost of $3,250.00, so that the debts that have had to be paid since I became Manager have been, in round numbers, $18,000.00, including the old machinery debts that were on hand when I became your Manager.

The first report made to the General Assembly, after I took charge as your Manager, showed your present worth to be $11,028.00 and this report shows your present worth to be $34,640.24. Thus in four years your present worth has grown from $11,028.00 to $34,640.24.

FORTIETH ANNUAL REPORT OF THE BOARD OF MINISTERIAL RELIEF OF THE CUMBERLAND PRESBYTERIAN CHURCH.

To the Ninety-First General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo., May 19-25, 1921:

Dear Fathers and Brethren: Your Board of Ministerial Relief herewith submits its fortieth annual report to your reverend body:

Another year has come and gone. Another year has been added to our history as a Church. It becomes our duty as your stewards to give an account of our stewardship.

We are pleased to report to you that this has been one of the best years in the history of your Board. While the offerings have not been quite as much as last year, yet through the Easter egg offering from the Sunday schools we were enabled to raise the amount given to each beneficiary twenty percent over last year.

On Our Rolls.

There have been on our rolls during the past year forty regular beneficiaries, one minister in the home and eighteen children, making a total of fifty-nine who are being cared for by your Board.

Entered into Rest.

During the year three of our dear old soldiers of the cross have gone to their eternal home. They are as follows:

Rev. George W. May, Marion, Ill., Ewing-McLine Presbytery, Illinois Synod, May 8, 1920.

Mrs. M. A. Zellner, Arlington, Tenn., Memphis Presbytery, West Tennessee Synod, June 25, 1920.

Rev. J. H. Day, Detroit, Tex., Dallas-Bonham Presbytery, Texas Synod, February 6, 1921.

"And I heard a voice from heaven saying unto me, Write, blessed are the dead which die in the Lord from henceforth: yea, saith the Spirit, that they may rest from their labors; and their works do follow them."

Emergency Calls.

During the year we have answered nine emergency calls aggregating $279.66.

Audit.

The books and accounts of the Corresponding Secretary and Treasurer was audited at the February meeting of the Board and found correct and neatly kept.

Vacancies by Expiration of Office.

The term of membership of Rev. C. A. Galloway, Jackson, Tenn., Harry Copper, New Holland, Ill., and R. M. Lisman, Dixon, Ky., expires with this meeting of the General Assembly.

The Board, at its February meeting, recommended to your reverend body that each of these brethren be elected to succeed themselves.

Rules of the Board.

The Presbytery has the sole power of making a minister, minister's widow or orphan children beneficiaries of the Board.

The application must be filled out and signed by the Moderator and Stated Clerk of the Presbytery and forwarded to the Corresponding Secretary and Treasurer of the Board.

Simply reporting names of persons in need is not making them beneficiaries of the Board. They must be made beneficiaries in the regular order to receive help from the Board.

Presbyteries having beneficiaries of the Board who have become able to resume active work, thus providing for themselves , should notify the Corresponding Secretary and Treasurer to drop their names from the Board.

The Home will not receive any person who has any form of contagious disease, or who is insane.

A widow, should she marry, ceases to be a beneficiary of the Board.

The Corresponding Secretary and Treasurer shall make a full report of all finances handled during the year and submit his books, vouchers, and papers for the inspection and auditing of the Board at its February meeting.

Report of H. H. Denhardt, Treasurer.

The statistical report of the Board of Managers, through their Treasurer, is herewith submitted and made a part of this report.

To the Board of Ministerial Relief of the Cumberland Presbyterian Church:

REPORT OF BOARD OF TRUSTEES OF THE GENERAL ASSEMBLY.

To the General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo.:

Brethren: The Secretary of your Board of Trustees submit the following annual report for your consideration: At the regular annual meeting of the Board (June meeting) the same officers were re-elected for the coming year—namely: E. W. Beck, President; J. W. Goodrum, Vice President; M. R. Graham, Secretary; W. J. Denhardt, Treasurer. In my report of last year mention was made of the will of Brother J. A. Bell, of Gibson County, Tenn., bequesting to the Trustees for the Cumberland Presbyterian Church a third interest in an estate valued at some seventy-five thousand dollars. As soon as it was practical, the Board took it up and found there was litigation to contend with, and after several letters were passed, the firm of Moore & Hudgins, attorneys of Union City, Tenn., were employed to take charge of the case. The suit in the Chancery Court went in our favor. An appeal was taken by the contestants to the court of Civil Appeal. The case has been tried, but a letter just received from Moore and Hudgins informs us that a decision has not been rendered, but they are confident of victory in this court also. Mrs. Mary E. Alexander, of Dresden, Tenn., in a will, gave to the Church (through the Trustees) quite a sum of money (amount not reported) to be set apart in three specified divisions for Church beneficiaries, as she directed. The will is being contested by heirs, and the interest of the Cumberland Presbyterian Church was placed in the hands of our attorney, H. H. Denhardt, by the Trustees.

Mrs. Graf informs the Board that the property in China, belonging to the Woman's Board of Missions, but erroneously deeded to the Cumberland Presbyterian Church, has been transferred from the Cumberland Presbyterian Church to the Woman's Board of Missions, the rightful owners.

Mrs. Paralee Jackson, of Jackson County, Ala., deeded property, consisting of farm lands, town lots, etc., valued at some thirty or thirty-five thousand dollars, to the Board of Trustees for the Church, at her death, on certain conditions to be complied with by the General Assembly. The deed was accepted and placed in the hands of our attorney, who had it recorded in the county seat of Jackson County and returned to him in Bowling Green.

The Board of Trustees, by a vote of their Executive Committee, have agreed to accept liberty bonds at par value, to the amount of fifty thousand dollars, as part payment of the one hundred thousand dollars bequeath to the Trustees, for the Church, by John T. Laughlin, of Iowa.

In conclusion, I will say that your Board of Trustees have endeavored to carry out, in every particular, what they believed to be for the interest of the Church, but have been greatly hampered by lack of funds. The Boards Treasury is empty; and when we are called upon to employ an attorney or to send some one as a representative to look after the interest of the Church, we have to decline to do so on account of an empty treasury, or refer them to the Assembly for their pay, which is embarrassing, to say the least; and we now ask the Assembly to place in the hands of our Treasurer, W. J. Denhardt, of Bowling Green., Ky., su..cient funds to meet all the demands that may be encumbered on the Board of Trustees to advance the interest of our beloved denomination.

M. R. GRAHAM, Sec. Assembly's Board of Trustees.

REPORT OF THE STATED CLERK AND GENERAL TRAVELING SECRETARY OF THE GENERAL ASSEMBLY OF THE CUMBERLAND PRESBYTERIAN CHURCH.

To the ninety-first meeting of the General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo., May 19-25, 1921:

Fathers and Brethren: Again it is our pleasure to submit for your prayerful consideration this our annual report.

Our report this year is not unlike the reports of the work in the past, except with delight to point to a more hopeful outlook for the future in our beloved Zion. The work in all departments seems to be taking on new life. For this we should feel humbly grateful to our Heavenly Father.

Greetings Received after Close of Last Assembly.

Some days after the close of our last session of the General Assembly we had forwarded to us, by mail, from the pastor host, Rev. J. W. Dishman, the following telegram of greetings:

"Greensboro, N. C., May 26, 1920.

"General Assembly, Cumberland Presbyterian Church, McKenzie, Tenn.:

"The Methodist Protestant Church, in General Conference assembled, sends you fraternal greetings in the name of our common Lord. Peace be within your walls and prosperity within your palaces.

General Conference, Methodist Protestant Church,
T. S. LEWIS, President;
C. H. BECK, Secretary."

Encouraging Reports.

Only a few Presbyteries have so far made to us their statistical report, but of these a few will show the healthy growth of the several congregations in their bounds, which we believe to be an indication of greater prosperity. Cumberland Presbytery reported in 1920, 1,513 resident members, and in 1921 reported 1,621 resident members. Ozark, in 1920, reported 616; in 1921, reported 729. Brownwood, in 1920, reported 114; in 1921, 142. East Tennessee, in 1920, reported 907; in 1921, 995. Springfield, in 1920, 681; in 1921, 931. Robert-Donnell, in 1920, 550; in 1921, 729. Amorilla, in 1920, 229; in 1921, 271. Logan, in 1920, 784; in 1921, 874. Illinois, in 1920, 432; in 1921, 522.

These nine Presbyteries show a net gain in resident membership of 1,988. Only one Presbytery, so far received, shows any considerable loss, and this Presbytery fewer than 200. If this ratio continues through all reports, we shall be able to show a splendid gain this year.

The Church a Missionary Church.

Perhaps never in our denominational life has there been shown so great an interest in missions as just now. More money has doubtless been given to the cause of missions since May 1, 1920, than within any other period of twice as long during the glorious history of the Cumberland Presbyterian Church.

A beautiful building, a credit to the Church and an honor to the faithful men and women who have made it possible, has just been completed in Chinatown, San Francisco, at a cost of more than $30,000. Another is being built in Canton, China. Thanks to the faithful labors and untiring zeal of our beloved brother and true yoke fellow, Gam Sing Quah. The building in Canton will soon be ready for occupancy and new fields will be open and new territory taken. May our heavenly Father speed the Church in this "the greatest work in the world."

Presbyterial and Synodical Lines.

The act of the ninetieth meeting of your reverend body (see page 119, Memorial No. 2, Minutes General Assembly, year 1920) did dissolve the Synod of West Texas-New Mexico and added its Presbyteries, Amorilla, Roswell, Brownwood, and Sweetwater, to Texas Synod, so that the lines of Texas Synod now include all that territory formerly in West Texas-New Mexico Synod.

Reduction of Salary.

Following the general downward trend of salaries and living expenses we respectfully ask that your Auditing and Finance Committee, to which will doubtless be referred our report to recommend to your reverend body, the reducing of the Stated Clerk's and Treasurer's salary from twelve hundred to nine hundred dollars per year.

Financial Exhibit.

We append hereto, and make it a part of this our report, the financial exhibit of your Treasurer and ask that same go into the hands of your Financial Committee for a careful auditing. Respectfully and prayerfully submitted,

D. W. FOOKS, Stated Clerk and General Traveling Secretary, Cumberland Presbyterian Church.

Paducah, Ky., April 16, 1921.

REPORT OF EDUCATIONAL ENDOWMENT COMMISSION.

To the Ninety-first General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo., May 19--25, 1921.

Dear Fathers and Brethren:

We your Educational Endowment Commission, submit our report for the year ending March 31, 1921 as follows:

We refer you to itemized statement following for a more detailed account of our stewardship. We merely condensed here and wish to ask your further direction.

We have held two regular meetings since your last session and a third to perfect the charter as per your instruction. We herewith submit copy of charter.

We now have total subscription $289,542.62, on which we have received 4,326 payments, amounting to $130,006.37.

We employed Rev. W. H. Butler as field representative, who began his work September 1, 1920, at a salary of $200 per month.

We have sent out approximately 12,000 communications by mail from the office. Your Commission has made purchase of $10,000 Victory Bonds, and $25,000 Treasury Certificates, which are short time and yield much better return than we can get from deposit in bank. We wish your approval of these transactions and that you further direct your commission and grant such powers in handling this fund that in your judgment seems wise and consistent with our charter and the constitution and laws of our church.

In the report of your auditing committee, of your last meeting, we have unfavorable mention and beg to say that the full amount necessary to make the subscriptions binding, not having been reached, we felt that we were liable to each individual subscriber until such sum, making subscriptions binding, had been reached. We placed the number of every bond after each contributors name so that we could deliver back to the donor the identical bond sent us if they so desired in case the total was not received. In addition to this the secretary-treasurer of our commission submitted to your stated clerk a certificate, signed by the assistant cashier of the Hamilton National Bank, showing the amount of cash in bank and bonds in bank and safe deposit box held by us on day we left for your meeting. We are always ready to give an account of our stewardship, according to

the wishes of your body and thought we were meeting every reasonable requirement a year ago. Perhaps the letter from Mr. Harris, th assistant cashier of the bank, was misplaced but we are not responsible for that and were not asked to appear before your Auditing Committee to explain our course. We think every agent handling funds of the church, should be called before your committee before adverse criticism should be made, and then seek to inspire confidence where their findings justify. Our Secretary-Treasurer, having left the assembly before the report was presented, did not know its contents until the minutes were received.

We know that the brethren composing that committee are friends of the endowment and would not purposely injure any member of our church, yet we think to follow the suggestion made above, would be good policy and your servants who undertake to do your work would certainly appreciate it more.

We are handing you a complete statement of our expense account; also list of all payments on endowment received by us, with the certificate of the certified accountant attached.

We have also atached a supplement showing payments received by us on endowment since March 31, up to April 15, $5,465.08.

Our office has given a great deal of time to the collections and has not been able to push the subscriptions as much as should have been done. The report will speak for itself and we trust will meet your approbation.

STATE OF TENNESSEE

CHARTER OF INCORPORATION

Be it known that F. A. Seagle, T. C. Callicott, D. M. McAnulty, T. C. Newman, J. L. Hudgins, L. B. Morgan, S. M. Gough and their successors chosen in the usages and regulations of the Cumberland Presbyterian Church, by which they are appointed and holding office at the pleasure of said Church, are hereby constituted a body politic and corporate by the name and style of the Cumberland Presbyterian Educational Endowment Commission for the purpose of collecting, holding, investing and disposing of educational funds of the Cumberland Presbyterian Church, and said funds are to be so collected, held, invested and distributed as the General Assembly of said Church shall direct and by such means as it may name.

And to these ends such corporation may purchase or lease land for corporate purposes, borrow money when necessary for the carrying on of the business of the corporation; sell and make title to any real estate or other property owned by the corporation; employ all necessary agents for the transaction of the business of the corporation; solicit, collect and receive contributions in money and otherwise by legacies or devises to be used in aiding or forwarding any and all of the purposes of the corporation; purchase or rent all necessary printing presses, type and material for the purpose of carrying on the work of the corporation.

But in all the tansactions of said corporation, it is to be governed by the rules and regulations of the said Cumberland Presbyterian Church, so far as same are not inconsistent with the Constitution of the State and laws of the land.

The general powers of said corporation shall be to sue and be sued by the corporate name; to have and to use a common seal, which it may alter at pleasure; if it has no common seal, then the signature of any

duly authorized officer shall be legal and binding. To purchase and hold, or receive by gift, devise, or bequest, in addition to the personal property owned by the corporation, real estate necessary for the transaction of the corporate business, and also to purchase and accept any real estate in payment or part payment of any debt due to the corporation and to sell the same; to establish by-laws and make all rules and regulations not inconsistent with the laws and constitution of the State, and of the United States of America, and not contrary to the constitution and rules and regulations of the said Cumberland Presbyterian Church deemed expedient for the management of the corporate affairs and to appoint such subordinate officers, in addition to president and secretary, not chosen by the governing body of said Cumberland Presbyterian Church as the business of the corporation may require, and as are not forbidden by the rules and regulations of said Cumberland Presbyterian Church; to designate the officers and fix the compensation of the officer.

The general welfare of society, not individual profit, is the object for which this charter is granted, and hence the members are not stockholders in the legal sense of the term, and no dividends or profits shall be divided among the members.

We, the undersigned, apply to the State of Tennessee, by virtue of the laws of the land, for a charter of incorporation for the purposes and with the powers, etc., declared in the foregoing instrument.

REPORT OF TITHING BOARD TO THE NINETY-FIRST GENERAL ASSEMBLY.

The following report is submitted by your Board of Tithing:

The Board of Tithing is yet in its infancy, having been created only a few years ago, but its growth and influence have been marvelous.

Our Board's report to the Assembly in 1917 showed that on April 30 of that year we had on hands $68.92. Rev. Hugh S. McCord became our Tithing Evangelist, November 1, 1917; and since that time all expenses of our work has been paid monthly, and our Treasurer's report to the Assembly this year will show that we have in the treasury, April 1, 1921, the sum of $4,882 44.

Our work has been to help every interest of the Church. Through the preaching, planning, and the labors of our Tithing Evangelist we have been able to do the following definite things:

1. Raise for the Endowment in subscriptions, cash, and bequests about $40,000.

2. Help organize the Assembly's Budget Plan.

3. Strengthen the Sunday-school work, through address and the organization of Workers' Conferences.

4. Secure subscriptions to The Cumberland Presbyterian.

5. Carry on a continuous campaign in the interest of God's plan of financing his Church, which has resulted in hundreds of our members becoming tithers, and many are now thinking more seriously than ever of their financial obligation to God and the extension of his kingdom.

Our Board is looking forward to and planning for greater success in the coming year than any previous and to this end we respectfully recommend to the General Assembly the following:

1. That it ask each minister to preach at least one sermon on tithing to all his congregations in the month of June and make report of same to the Secretary of the Board of Tithing within ten days thereafter. The Secretary, Rev. Charles R. Matlock, Cleveland, Tenn., by order of the Board, will furnish, in advance, report form.

2. That each Sunday school superintendent give at least a few minutes' attention to the tithing questions that appear in the quarterlies.

3. That each teacher read or comment upon these tithing questions.

4. That a Tithing Secretary be appointed in each congregation, and that the Secretary of the Tithing Board be notified of such appointment.

5. That every Cumberland Presbyterian pay at least one-tenth of his or her income to the cause of the Lord.

6. That the Assembly co-operate in the "Educational Church Revival" program.

7. That the name and address of every tither be sent to the Secretary of the Tithing Board.

Respectfully submitted,

Wm. Y. DURRETT, President;
CHARLES R. MATLOCK, Secretary.

REPORT OF THE COMMITTEE ON LEGAL FINANCE.

To the General Assembly of the Cumberland Presbyterian Church:

Dear Fathers and Brethren: Your Committee on Legal Finance, appointed by your body in 1916, does herewith submit its annual and final report:

Immediately after we were appointed we met and devised means and gathered the

claims held by various persons against the Cumberland Presbyterian Church and then apportioned to each Presbytery their proportional part at the rate of 20 cents per resident member.

This action was approved by your body at its next session, and all Stated Clerks were notified through your committee of this action, and also of the amount they were due the Assembly through your committee on the matter of Legal Finance.

Twice each year statements showing the amount due and the amount paid, together with a communication addressed to the Presbytery, have been mailed to each Presbyterial clerk. We have urged this matter not only through these communications, but through the Church publications and have, we feel, faithfully discharged our duties as a committee.

The claims filed with the committee are as follows:

Hon. W. W. Caldwell, Trenton, Tenn.	$ 5,000 00
J. E. Eberts, Marshall, Mo.	1,240 00
Wm. Hinton, Clinton, Mo.	500 00
New Cumberland Press	425 00
Total	$ 7,165 00

We collected and disbursed to the claimants proportionately with their claims up to and including our report of one year ago the sum of $703.50.

During this Assembly year we have received and disbursed as follows:

We, as your committee, feeling that we have done all that we can do in this matter respectfully resign and recommend that other means be devised by your body to settle these claims.

Some of the stronger Presbyteries have repudiated these claims, and many others will not act upon or recognize any communication that is mailed to them on this matter.

Regretting very much that we have not had the hearty support of the entire Church in this matter, we respectfully retire from our task and feel that other means will possibly inspire new zeal.

REV. J. T. COLEMAN, Secretary and Treas.;
REV. J. L. HUDGINS.

REPORT OF SECRETARY AND TREASURER OF THEOLOGICAL SEMINARY.

Fathers and Brethren: We respectfully submit the following for your information, consideration and approval:

Your Board met after the adjournment of the Ninetieth General Assembly and unanimously elected Rev. A. D. Rudolph, President, and D. M. McAnulty, Secretary and Treasurer. Judge W. B. Young was elected a member of the Finance Committee to serve with Rev. J. L. Hudgins and D. M. McAnulty.

Resolutions.

In conformity to the requirement of the Ninetieth General Assembly your Board passed the following resolution in regard to matriculation. The said rule is now in force. Resolved: That all students who are unable to matriculate in the regular Theological Courses be enrolled in a special course to consist of the study of the English Bible and the Confession of Faith of the Cumberland Presbyterian Church, except that all those who are twenty-eight years of age, or over, may be permitted to take such studies as the faculty may deem proper to give them, with the exception of Greek and Hebrew.

The following resolution was adopted: Resolved: That the faculty ascertain by proper certificate, or by special examinations, the literary standing of all students who enrolled before the order was passed requiring that students file a certificate at the time of entrance; and if found that their literary attainments conform to the regular requirements in grade, regardless as to time and entrance, that they be considered candidates in regular order for a degree.

We trust that these resolutions will be clear and a satisfactory solution of some of the difficulties of the past.

Salaries Increased.

Your Board was glad to comply with the action of the General Assembly in the increase of salaries to the teachers in the Theological Seminary, and by the assistance received from the Budget Plan we have been enabled to meet this increase. Your Board believes the servants of the Church should be paid salaries commensurate with the ability of the Board to pay and the services demanded.

Library To Be Moved.

Your Board made effort and believed that satisfactory arrangements had been made to move the Dr. Goodnight Library from Lincoln, Ill., to Bethel College, but up to this time the actual shipment has not been made.

Board Meeting.

The Board met in McKenzie, Tenn., on March 8, 1921, according to previous adjournment. All the members of the Board were present at this meeting except Hon. W. B. Young, who gave reasons for absence.

Dean's Report.

The Dean of the Seminary made his annual report, which shows the following students in attendance for the year 1920-1921:

H., Lebanon, Tenn., ordained, Lebanon Presbytery; Suiter, Luther, McKenzie, Tenn., licentiate, Clarksville Presbytery; Tatum, Russell, McKenzie, Tenn., ordained, Obion Presbytery.

Election for Degree.

After having examined the report of the faculty, and the grades of the following students, they were elected to the degree of Bachelor of Theology: Lee Roy Johns, McKenzie, Tenn.; Katherine Rose King, Madisonville, Ky.; Letie Winnie Clement, McConnell, Tenn.

Faculty.

The Board elected Rev. P. F. Johnson, D.D., Dean of the Theological Seminary, at a salary of $1,800.00, and elected Rev. W. H. Butler, teacher, at a salary of $1,800.00, for the year 1921-1922.

It is understood that the faculty devote twelve months' time in services to the Seminary. The Board asks for your approval.

Members Term Expires.

We call your attention to the fact that the term of class three expires with this sitting of the General Assembly—namely: Rev. Hugh S. McCord, Marshall, Mo.; Rev. T. C. Newman, Savannah, Tenn.; Rev. J. H. Thomas, Dyer, Tenn. The Board makes no recommendation as to the election of members for the next year, but leaves this matter to your prayerful and careful consideration.

Endowment Fund.

Since our last report we have increased the Endowment Fund in the sum of five hundred dollars. This was a bequest left by will of Mr. W. C. Wrinkle, of Marysville, Tenn. The Board regrets the loss to the Church of our good men, but rejoices that we have good and faithful servants who, while living, provide for the future of our beloved Church. We extend to the family of Brother Wrinkle our sympathy and to the executor of his will our thanks for the prompt settlement of this bequest.

Auditing.

This is to certify that I have compared the above report with the book of the Secretary and Treasurer of the Cumberland Presbyterian Theological Seminary; have examined the notes, bonds, and War Savings Stamps, and find that the report corresponds with amount on hand; have examined the vouchers and bank account and find same in accord with the record of the Haredman County Savings Bank, of Bolivar, Tenn. This is a correct report showing the financial condition of the Treasurer's office, to the best of my knowledge and belief.

B. M. GEE, Assistant Cashier and Bookkeeper for the Hardeman County Savings Bank, Bolivar, Tenn.

Subscribed and sworn to before me this the 11th day of April, 1921.

E. B. TATE, Notary Public.

Accounts Receivable.

The interest accounts have as a rule been paid in a satisfactory way, and at present there are only two past due accounts, one a Church loan and one an individual loan. Both are amply secured and will be collected.

Accounts Payable.

There are no past due accounts. The teachers have been paid promptly each month. We will owe $750.00 for the balance of the Seminary year. This will reduce our balance on hand to that extent.

Sale of Real Estate.

Because of conditions your Board deemed it wise to sell the rental property at Birmingham, Ala. The house had been considerably damaged by a storm, and after advising with Dr. Perkins, the donor of this property, we accepted an offer of $1,000.00 for same. We had accepted this property at a valuation of $1,500.00. The loss sustained on account of storm and other depreciation was charged out of current expense account, and not deducted from the Endowment.

Purchase of Real Estate.

Your Board purchased from Rev. A. N. Eshman a tract of land in Hickman County, Tenn., the consideration being in full settlement of notes held by the Board. It is not the purpose of the Board to hold this property longer than necessary to sell same at its value. The value of the property is considered to be well above the price paid.

Request.

Because of the fact that the income from the productive endowment now on hand is insufficient to provide necessary funds to carry on the work of the Seminary on the present basis, your Board requests that you set apart for its use five per cent of the Budget Fund. This will not be necessary after the collection of the full endowment as provided in plans of the Educational Endowment Commission, but until we receive this additional endowment and it becomes productive for the use of the Seminary, it will be necessary to raise funds from some other source to carry on the work.

In Conclusion.

We are planning for and expecting increased patronage and support and trust that the next year will prove to be the best in all departments for the future of our schools and the Church as a whole.

Respectfully submitted,

A. D. RUDOLPH, President;

D. M. McANULTY, Sec. and Treas.

REPORT OF CHARLES A. GALLOWAY, MEMBER OF VISITATION COMMITTEE, TO VISIT THE CUMBERLAND PRESBYTERIAN THEOLOGICAL SEMINARY, AT McKENZIE, TENN.

To the Moderator and Members of the Ninety-First Meeting of the General Assembly of the Cumberland Presbyterian Church in Session at Greenfield, Mo., May 17-22, 1921:

Dear Fathers and Brethren: As the only surviving member of the Committee on Theological Seminary Visitation, I beg to submit the following report:

1. As a member of this committee, I visited the Theological Seminary at McKenzie last year and sent my report to the chairman, the late Rev. T. Ashburn, but for some reason unknown to me the report did not come before you.

2. As the only member left of this committee, I visited the Seminary Thursday and Friday, April 7 and 8, 1921.

The Seminary is doing better work this year than it was able to do last year. There is a deeper interest, seemingly in the student body, also more enthusiasm in the work. While the school is small, numerically considered, yet it is doing a

much needed work and doing it better possibly on account of there not being a great number, as the advantage of individual instruction is obtained.

We were impressed with the thoroughness of preparation of the students as well as the careful, painstaking instructions of the teachers, Revs. Johnson and Braley.

In studying the course of study and comparing it with the requirements made by your body by adopting the report of the Committee on Theological Seminary, Minutes, 1920, General Assembly, page 120, and knowing that there are many boys and girls who profit very much by being allowed to study some studies which seem to be forbidden, we would recommend that your honorable body consider such changes in its attitude toward the course of study as will permit any and all students who enter the Literary Department of the school, to study the following, in addition to their other studies: Sacred Geography, Blake's Theology, and Teacher-Training.

We would also recommend that the subject of "History of Christian Doctrine" be substituted for "Comparison of Creeds."

We found the class records of Revs. Johnson and Braly neatly and very systematically kept.

The records show that 26 pupils are enrolled in the Theological Seminary Department.

Respectfully submitted,

C. A. GALLOWAY, Member Theological Seminary Visitation Committee.

REPORT OF THE "SYNODIC GENERAL ASSEMBLY BOARD OF TRUSTEES" OF BETHEL COLLEGE.

To the Ninety-First General Assembly of the Cumberland Presbyterian Church:

Dear Fathers and Brethren: We, the Synodic Board of Trustees of Bethel College, continued by the General Assembly, temporarily, to complete the transfer of property, make the following report:

The Ninetieth General Assembly having made provision for a new Board to be composed by Rev. O. A. Barbee, et als, after having discussed the matter with some of the members of the said Board of Trustees, opened and operated the school under previous contracts until such time as the new Board arranged to complete their organization.

The two Boards met in joint session in McKenzie, Tenn., on March 8, 1921, together with legal counsel, and took such steps as said counsel advised for the completion of the transfer, both of property rights and school control. The new Board organized in regular order and assumed control of the school. All books, papers, and funds have been delivered to said new Board; and the Synodic Board continued by the General Assembly, temporarily, having completed the work required at their hands, respectfully submits this report and asks to be discharged.

D. M. McANULTY, President;
J. W. DISHMAN, Secretary.

REPORT OF COMMITTEE ON EVANGELISM AND REVIVALS.

Your Committee on Evangelism and Revivals reports as follows:

This General Assembly already knows that Christ in his Word has elevated evangelism and revivals mountain high above every other work. Other necessary work should be tributary.

Christ was an evangelist and a revivalist, so much in earnest that his life's blood was shed to get poor sinners saved. We have but to study the lives of the apostles to know what our work is in evangelizing or trying to get the unsaved to come to Christ. Pastors who preach the glad tidings in their pulpits and carry it from house to house, the Spirit filling and leading them in pointing souls to Christ, are evangelists as much so as the one who does nothing but hold revival meetings. Our Church was called into existence in the midst of a great revival. Our fathers were evangelists after the order of the apostles; under their labors the Church grew and prospered. They, like Christ and the apostles, preached repentance, a Godly sorrow for sin, the terrors of the law, a sure enough hell—eternal. They also preached a faith that takes hold on the Son of God and never lets go, and a Christ who takes hold of such believers with the grip of the Lion of the tribe of Judah never to let

any hellish power pluck them out of his or his Father's hand. They were truly sons of thunder when preaching on the Holy Ghost and Holy Ghost religion, without which no one is saved. They also preached that water baptism has nothing to do with the cleansing of the soul, and that the Bible mode is the same as that of the Holy Spirit, pouring or sprinkling. Then, people were taken into the Church who gave ample evidence of having been born again; now the Church is joined with about the same mind or feeling as when a lodge or club is joined. Too many preachers now are not preaching to indoctrinate and save souls, but to the contrary to please and entertain. While we thus write facts to show that our Church and all others as well need evangelizing and reviving, going back to the old landmark, yet we are glad to say that all the preachers are not of the slim pattern, and all Church members are not destitute of Holy Ghost religion. Still we hear the lamentation from the most spiritual men from all quarters, "The Church has lost its power."

We hope to see the time come when our Assembly and the whole Church will become so wide-awake on the subject of soul-saving that a movement or drive will be started and pushed through to raise money to help many Holy Ghost evangelists to hold revival meetings and preach our God-given doctrines everywhere.

We conscientiously feel that this Assembly should accept the resignation of each member of this committee and put in our places some good, spiritual men, well qualified who may accomplish much more than we have done.

Respectfully submitted, J. D. LEWIS, Chairman

Note.—This report as here given is subject to change when each of the members are heard from.

REPORT OF COMMITTEE ON HISTORICAL SOCIETY.

To the Moderator and Brethren of the Ninety-First General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo., May, 1921:

Dear Fathers and Brethren: As Secretary of the Historical Society, I beg leave to report as follows:

We have had no meeting for the oft-repeated reason of no funds nor provision by which we can secure funds.

We have considered the letters from different sources offering to sell to the General Assembly certain papers in the hands of Rev. J. V. Stevens, but as we are informed that possibly the most of the papers or data is already in the possession of different members of the Church and could be secured without the expenditure of money, we believe it to be wisdom to refrain from purchasing them. The Stated Clerk of the General Assembly holds a complete file of the minutes of the Assembly.

We believe that the time is at hand when the Assembly should proceed to write the history of the Church as so many of the older members are dying, and we feel that it would be sacrilege to permit the loss of the facts which could be secured from them should some one be empowered to secure and write the history.

We find it impossible to do more than just look for certain records and then be unable to secure them in the condition that this committee has always found itself—without means to even carry on a correspondence to any degree, as no funds have ever come into our hands.

We respectfully ask the General Assembly to take some steps at once to select some one capable of writing this history or empower this committee to at least secure some one to write certain chapters, especially the chapters based upon the recent years during which our Church has been persecuted, as we feel that the future generations should have the information to guide them, for we know it will be only a few years until many of them will be called upon to pass through some such trial; therefore we

Recommend: 1. That this Assembly proceed to select some one to write the Advanced History of the Cumberland Presbyterian Church

Respectfully signed, B. J. REAGIN, Secretary.

REPORT OF COMMISSION ON MANUSCRIPT EXAMINATION.

To the Ninety-First Meeting of the General Assembly, Greenfield, Mo.:

Moderator and Brethren: Your Commission appointed to examine the manuscript of forthcoming books or pamphlets to be circulated as Cumberland Presbyterian re-

spectfully reports that no such manuscripts have been submitted; nor have we had notice of rumors of violence to the teachings of our Confession of Faith in any of your Presbyteries. We are deeply pained that but two names of your Commission appear upon this report, our dear brother and co-worker, Rev. J. T. Barbee, having triumphantly passed into the "General Assembly and Church of the first born, which are written in heaven," since our last report. Very sincerely your servants,

A. C. BIDDLE,
P. F. JOHNSON.

REPORT ON THE NEW CUMBERLAND DIGEST.

To the Ninety-First Meeting of the General Assembly, Greenfield, Mo.:

Moderator and Brethren: The compiler makes this last report; and, as all pecuniary obligations to him have been satisfactorily met by your order, he asks to be discharged. Our manager writes me that he has quite a number of bound copies on his shelves. Throughout the Church the New Cumberland Digest has received only words of praise. It is well pinted, tastefully bound in black cloth, and is helpfully indexed. Each ruling elder who hopes to be of worth to his session, to his Presbytery, to his Synod, and to his Assembly should at once get a copy and begin its study; and if they should so do, it would put new life into our courts, relieve the Publishing House of an unnecessary burden, and otherwise do incalculable good. Send for your copy. Very sincerely your servant,

A. C. BIDDLE.

ANNUAL REPORT ON PROHIBITION—for 1921.

To the General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo., May 19-25, 1921.

Fathers and Brethren: As your Committee on Prohibition, we have but little to report at this time, only that which is generally known to you all. But let us not be weary in well-doing, for in due season we shall reap if we faint not. We are to-day realizing the reaping of the harvest that we have long toiled for and have sown the seed of sobriety and uprightness for a sober nation all these years. We have sown in the name of the Father, Son, and Holy Ghost and have faithfully tilled the soil, while God has watered from heaven and therefore today we should thank God and take courage and go forward.

Our Volstead Law has stood the acid test of every Supreme Court before which it has been tried, and there is little chance for any modification of the same; hence as long as this law holds good we will still have a saloonless nation. The large distilleries and breweries have all the time looked forward to some modification of the dry law that would give them the right to make and sell intoxicating liquors, but to-day their fond hopes are fast vanishing.

We still have much illegal selling of wildcat intoxicants, and most of it is a concotion of deadly drugs and so many have died right out from the drink, and many others came so near dying that they are now becoming afraid to take the risk on the bootlegger and the blind tiger, hence the trade is becoming less all the time.

Your committee is strongly opposed to the policy of our government in allowing drug stores to sell intoxicating liquors on the doctor's prescription, inasmuch as this is to a limited extent giving the drug stores the right to make large profits even on the small sales, the doctors the right to charge a profit on the prescription, and holds the temptation before the people who are inclined to drink, and, in a word, it makes the durg store a little saloon and violates in principle our national law.

We would therefore condemn the drug store trade in intoxicanting liquors. If we say that we have a dry nation, let's have it dry by all means, and no modifications nor special privileges extended to one more than to another.

We still endorse the work of the Woman's Christian Temeprance Union, which has so nobly fought the liquor traffic since its organization in 1873-1874, and it has never relaxed its efforts for one hour, so with the Anti-Saloon League, which gave the strong arm of man to the task of helping to bring the great achievement which

we have to-day. Let us therefore press forward until there is no such thing as the illegal sale of the death-dealing concoction in our fair land.

Signed by the Committee,
J. B. ESHMAN, Springfield, Mo.;
J. M. COOK, Lewisburg, Ky.;
H. S. McCORD, Marshall, Mo.

REPORT OF MUSIC EDITOR.

To the General Assembly of the Cumberland Presbyterian Church, to convene in Greenfield, Mo., May 19, 1921, greeting:

Moderator, Fathers, and Brethren: Permit me again, as your Music Editor, to submit my annual report to your reverend body. From the time of my appointment to the position I hold, I have endeavored to keep you informed of the work I am doing.

My work as Music Editor includes the publication of the New Chuch Hymnal, "The Songs of Zion," which was compiled under the authority of the Assembly by a committee appointed at Warrensburg, Mo., May, 1912, of which I was made chairman. We submitted our report to the Assembly at Bowling Green, Ky., in May, 1913, which report was received and the book adopted. And this book has been recommended to the churches by every Assembly since. No Church hymnal has ever received such high, official sanction as has this one. Not only has it received the sanction of the highest court of the Church, but it has received the endorsement of ministers, musicians, and the churches using the book, as shown by their testimonials freely and voluntarily given.

But one criticism has reached me, and that is in reference to a slight change in the wording of one or more hymns to make them conform to the teachings of the Word of God as held by our Church. It is also said that I have changed the music of some of the old tunes. To all of which I reply:

That as a Cumberland Presbyterian, compiling a hymnal for the Cumberland Presbyterian Church, I assumed that the Church expected me to be loyal to my Church and not to allow anything to go into the new hymnal that would compromise our doctrines and at the same time be untrue to the teachings of the Word of God, that any evangelicial Christian might not sing. It seems that some of the brethren will never forgive me for changing the third line of the first stanza of "There Is a Fountain Filled with Blood," to read, "And sinners cleansed by that pure flood," etc., instead of, "And sinners plunged beneath that flood," etc.

Rev. W. H. Berry would have rendered it, "And sinners sprinkled from that flood."

As to any change in the music, I will say there has been no change made in the air, or melody, of a single one of the old tunes. The changes complained of refer to the harmony only. It would not have done to let some of these old tunes appear in the new hymnal with the crude harmony which they contained; and yet the melodies were regarded as superior to many of the new tunes being published to-day.

And besides a number of these old trunes were used by request of the old brethren. For example: No. 198, "Come, Humble Sinner, in Whose Breast," was inserted by request of Rev. J. H. Mihlholland, at that time Moderator of the Assembly, he copying the air and leaving me to supply the harmony. This is a minor tune. So of No. 269, sung to "Am I a Soldier of the Cross?" This was in minor, but I majorized it, so as to make it easer for the present generation to sing. And so with No. 577, "On Jordan's Stormy Banks I Stand."

And in the general make up of the selection I was not only guided by the former Hymnals of the Church, but kept other hymnals at hand while compiling the new hymnal. And among the old hymns and tunes used will be found No. 265, "When I Can Read My Title Clear," which our fathers sang to the old tune, "Ninety Fifth." This hymn and tune called loudly to be restored to their place in the hymnology of the Church.

Where I have taken old airs and rearranged the harmony I have indicated that fact by inserting, "Arr. by W. T. D.," following the lead of such musicians as Dr. Lowell Mason, Dr. Thomas Hastings, Wm. B. Bradbury, and such like musical celebrities. So in this I have not violated the rules of musical propriety.

While selecting hymns for the new hymnal, I was frequently confronted with two or more versions of the words, as, for example, "Rock of Ages," "Jesus, Lover of My Soul," and others; and it was often difficult to determine which was the more preferable rendering, and I had often to decide it by what seemed to be the prevailing use of the words coupled with what seemed to be the more in keeping with th true meaning to be attached to the hymn. I trust enough has been given the reader to show the difficulties I have labored under in performing the work.

Another fact, which was explained in our report to the Assembly at Bowling Green, was the fact that one of our committee was abroad all the while the hymnal was being prepared and could not be reached. The two other members, living in Nashville, rendered valuable help. But, under the circumstances, I had to assume the greater part of the responsibility of the work, which I did, bearing all the expenses incurred by the work, no part of which was met by the Assembly or the Board.

I have called your attention in my former reports to the fact that the A. S. Barnes Company, of New York, assumed the expense of publishing the book, after it was found that our own Board of Publication was not in a financial condition at that time to do it. Of course this company expected that the Church would patronize their own book to such an extent as to relieve them of financial embarrassment. But this, I am sorry to say, has not been done. And the company is now offering to sell the book at cost of manufacture, plus the transportation. Our churches now have the opportunity of supplying themselves with a first-class, up-to-date hymnal cheaper than was ever offered before.

I wish to emphasize the fact that if the General Assembly had not appointed a committee to compile a new hymnal, it would never have been compiled; and if the General Assembly had not adopted and authorized its publication, it would never have been published.

Allow me to call your attention to the following deliverances of former Assemblies:

From the Report of the Committee on Publication, Adopted by the General Assembly, Wagoner, Okla., 1914.

"We have before us a full report of your Music Editor, the Rev. W. T. Dale, from which we learn that he has completed the new hymnal and has arranged with the A. S. Barnes Company to publish the same. . . .

"Your committee believes that the Church has been brought under obligation to Brother Dale for his faithful work in preparing this songbook. Furthermore, we believe he has acted wisely in arranging with the A. S. Barnes Company to publish the book. Furthermore, we would advise that the General Assembly recommend the Church to use this book as far as practicable."

From the Report of the Committee on Publication, Adopted by the General Assembly, Memphis, Tenn., May, 1915.

"We have before us the report of our Music Editor on the new Church hymnal . . . who reports that he was able to have the hymnal published as per contract with the A. S. Barnes Company, New York, who have, at great expense to themselves, brought out the book. The book seems in every way to be fully up to the expectation of the Church. It comes to us endorsed by a large number of the best judges of words and music, and since it is the work of our own Editor, and especially because strangers to us have incurred the expense of publishing the book your committee feels that the entire membership of this General Assembly should make strenuous effort, if needs be, to have the book put in all our congregations. Its price is as reasonable as we could expect a book to be of high grade and up-to-date."

Once more, we give the following from the report of the Committee on Publication, adopted by the General Assembly at Birmingham, Ala., May, 1916:

"In reference to the report of Rev. W. T. Dale, D.D., we are pleased to note that our new Church hymnal, 'The Songs of Zion,' is being purchased in increasing numbers throughout the Church.

"Your committee, after examination of the hymnal, desire to commend Rev. W. T. Dale for his painstaking care in the arrangement of the songs in this book.

We recommend that in view of the fact that the A. S. Barnes Company have, at their own risk, gone to great trouble and expense in publishing this hymnal, that our people throughout the whole Church be requested to examine said hymnal, and wherever possible to purchase same when in need of new songbooks."

It would be presumptious in me to try to add anything to what these three Assemblies have said about the hymnal.

I will only add that in these days of so many "drives" we should put on another drive with the view of selling the remainder of the books which the publishers now have on hand. It would be a burning shame for the publishers to be forced to sell the bound stock with the unbound sheets as waste paper. Will not every Cumberland Presbyterian who loves his Church rise up and say, "This shall not be done"?

I am seventy-six years old and cannot, according to the course of nature, expect to be here many more years; but I could die happy if this our obligation to these publishers were met and satisfied.

If every one of our churches will take from 25 to 100 copies, this obligation could easily be met. Now if friends interested will write me for prices and cost of shipment, I will let them know the cost of the book, together with the express charges. Or they can take the matter up with A. S. Barnes and Company, 30 Irving Place, New York, who will be glad to furnish the information sought.

Following my earnest appeal two years ago and the Assembly's strong recommendation that year, a number of churches responded by buying 25 to 50 or more copies of the hymnal.

Trusting that our work as your Music Editor may have been such as to merit a continuation of your sanction and approval, I am yours for the best service I am capable of rendering to the Lord and our beloved Church. With sincere regard, I am yours most cordially. Rev. W. T. DALE, Music Editor.

Woodbine Station, Nashville, Tenn.

P. S.—Since this report was written, the publishers have written me that they have donated one hundred copies of the hymnal to the Church at Greenfield, Mo., for the use of the General Assembly and Woman's Convention.—W. T. D.

REPORT OF BOARD OF TRUSTEES OF BETHEL COLLEGE.

To the 91st General Assembly of the Cumberland Presbyterian Church, meeting in Greenfield, Mo.:

Dear Brethren: The Board of Trustees of Bethel College most respectfully submit the following report:

We had our first meeting on March 8, 1921, and organized as follows: A. E. Barnett, President; W. H. Butler, Vice President; James M. McLeskey, Secretary; T. E. Thomas, Treasurer. After which adjournment was taken, pending the amendment to the charter which impowered us to act as your Trustees of this institution. The charter having been amended, we met on April 22, 1921, in McKenzie, Tenn., at which time was turned over to us by the former Board all of the interests which were held in trust by them, consisting of about four acres of land, buildings, and contents. We elected a faculty for the ensuing years as follows: Prof. N. J. Finney, President Emeritus, Rev. G. W. Burrough, B. F. Hooker, Charles H. McCord, Rev. R. L. Keathley. Miss Nellie E. Grigsby, Mrs. Gladys Guinn Kelly, piano teacher, Mrs. A. I. Dennison, teacher of voice. Prof. N. J. Finney was elected to a place on the faculty. After carefully looking into the details of the situation, we found that they were in need of additional teachers, and they were elected as above. This was done in order to bring the institution up to where it will meet the needs of the denomination. To carry out our plans in this regard we are asking that the General Assembly make an appropriation of $10,000 for the operating expenses for the coming year. We beg your most prayerful and careful consideration of this request, as we feel that the usefulness of the institution will be determined by your action. We furthermore call your attention to the fact that the Board decided that a Bible course should be taught in Bethel College for the coming year. A library has been tendered to the institution by Mr. W. L. Danley, of Nashville, Tenn., which

your Board has gratefully accepted. You will find attached herewith the financial exhibit and the charter amendment.

Respectfully submitted,
A. E. BARNETT, President;
Jas. M. McLESKEY, Secretary.

GENERAL ASSEMBLY

MAY 19-25, 1921

GREENFIELD, MO.

REPORT OF COMMITTEE ON CREDENTIALS.

To the Ninety-First General Assembly: Your Committee on Credentials submit the following report:

1. We recommend the seating of all those named as Commissioners, should they be present, or in their absence, the seating of the alternate named in the Preliminary Minutes of the General Assemhbly on pages 14, 15, and 16 thereof, with the following changes, exceptions, and additions:

2. In the case of Logan Presbytery not reported in the Preliminary Minutes, we recommend the seating of C. G. Chick as Commissioner on the part of the ministry and of Henry H. Denhardt for the eldership, their credentials being in regular form.

3. Neither D. A. Bright nor C. G. Armitage, the duly elected Commissioner and alternate on the part of the eldership from East Tennessee Presbytery being able to attend this session of the General Assembly, a petition was presented to your committee bearing the signature, as we were informed of every member of said Presbytery who was present at the last meeting of same, requesting that S. H. Humphrey, a member of said Presbytery, be seated as the Commissioner on the part of the eldership for said Presbytery, and your committee recommends that this be done.

4. In Dallas-Bonham Presbytery it appears that neither Rev. Leslie Waddle nor Rev. C. F. Gibbins, the duly elected Commissioner and alternate on the part of the ministry were able to attend the session of this General Assembly, and it appearing that both of said brethren, as well as four of the church sessions of the eleven in the Presbytery, have requested in writing that Rev. H. R. Allen be seated as Commissioner in their stead, and there being no contest or objection on the part of anyone, your committee would recommend that said Rev. H. R. Allen be seated as Commissioner from said Presbytery.

5. The credentials of Rev. B. F. Guinn as Commissioner on the part of the ministry and of W. C. Crider as Commissioner for the eldership from New Hope Presbytery appearing to be regular, we recommend that said brethren be seated as Commissioners from said Presbytery.

6. It was made to appear to your committee that on account of the death of one of the ministers, a member of West Plains Presbytery, that this Presbytery is left without a su..cient number of ministers to constitute a Presbytery. Rev. E. T. King, one of the two ministers remaining in said Presbytery, appeared before your committee and requested that he be seated as a Commissioner on the part of the ministry for said Presbytery. We submit this matter to the General Assembly for its action without any recommendation.

7. In the case of Los Angeles Presbytery, it was made to appear to your committee by Rev. Charles H. Walton and others, and by certain signed statements, that it was impossible to hold a meeting of this Presbytery because there were only three ministers who are members thereof, and that one of these three ministers who was the Moderator of the Presbytery failed to meet with said Presbytery at the time of its regular meeting, and also failed and refused to call a meeting of the Presbytery for the purpose of electing Commissioners to the General Assembly, even though he had been legally requested so to do. A petition was presented to your committee, requesting that the seating of Rev. Charles H. Walton as Commissioner on the part of the ministry from said Presbytery be recommended by this committee. We, however ,submit this matter to the General Assembly for its action without any recommendation.

Respectfully submitted,

H. H. DENHARDT,
B. J. REAGIN,

REPORT OF COMMITTEE ON MORTUARY.

To the Moderator and Members of the General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo., May 21, 1921:

Your Committee on Mortuary has discharged the sad duty assigned to it and present the following report for your consideration and adoption:

Since the adjournment of the General Assembly one year ago the following members of and ministers in our beloved Church have ceased to travel on the level of time and have passed to that undiscovered country from whose bourne no traveler returns, to wit: Rev. J. T. Barbee, of Owensboro Presbytery, September 11, 1920, at

his home in Murphysboro, Ill.; Rev. Wilson Cole, of Choctaw Presbytery, February 20, 1921, at Garvon, Okla.; Rev. John H. Day, Dallas-Bonham Presbytery, February 5, 1921, at Detroit, Tex.; Rev. B. E. Finch, of McGready Presbytery, December 12, 1920, at Mingo, Miss.; Rev. G. W. Petty, Lexington Presbytery, November 1, 1920, at Sedalia, Mo.; Rev. J. C. Ross, of Clarksville Presbytery, March 23, 1921, at Big Sandy, Tenn.; Rev. L. C. Sharp, of New Lebanon Presbytery, February, 1921, at Tipton, Mo.; Rev. W. J. Sneed, of Ewing-McLin Presbytery, Ina, Ill. (date unknown); Rev. Edwin Worth, of Lincoln-Decatur Presbytery, July 22, 1920, at his home in Petersburg, Ill.; and Rev. W. S. Kincade, of West Plains Presbytery (date not given).

Of the brethren whose demise we report herewith it is doubtless proper that we should record, "They have fought a good fight and have entered into rest." Your committee would recommend that the hour of eleven o'clock to-day be fixed by your body to hold special memorial service in memory of these deceased brothers, and that Rev. J. S. Bone, of White River Presbytery, be appointed to conduct said service.

REPORT OF THE COMMITTEE TO RECEIVE BIDS AND PROPOSALS FOR THE LOCATION OF THE PROPOSED LITERARY AND THEOLOGICAL SCHOOL.

To the ninety-first General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo., May 19-25, 1921:

Dear Fathers and Brethren: We, your committee selected to receive bids and proposals for the location of the proposed Literary and Theological School, to visit and investigate all conditions prevailing in such communities as in our judgment offers a suitable location, beg to submit the following report:

Your committee met first in McKenzie, Tenn., November 23, 1920, and perfected its organization by electing Elder G. B. Holladay, Camden, Tenn., chairman, and Rev. S. L. Noel, Greenville, Tenn., secretary-treasurer.

The committee advertised throughout the bounds of the Church for proposals for the location of the school by letter, circular, and newspaper. (A copy of the circular is attached to and made a part of this report.)

The committee inspected the Bethel College site, McKenzie, Tenn., while there, and at its second meeting, held in Chattanooga, Tenn., April, 1920, was shown two tracts of land and were driven over and given a general view of Signal Mountain.

The chairman of the committee inspected several proposed sites offered at Jackson, Tenn.

The members of the committee present in Greenfield, Mo., inspected two tracts which will be offered.

The general financial depression and conditions of the country have seriously handicapped your committee in receiving proposals of such magnitude as it had hoped.

Your committee was given authority to solicit funds to pay its expenses, but were of unanimous opinion that these expenses be otherwise provided for.

The following expenses have been incurred:

G. B. Holladay	$ 45 51
S. L. Noel	102 75
S. L. Noel, postage	4 00
S. L. Noel, Message	70
J. E. Eberts	97 00
C. E. Cooper	115 00
J. J. Cooper	30 00
W. A. Boone	45 00
E. B. McEuen	17 00
Greeneville Democrat Sun	5 00
New Cumberland Press	4 00
Total	$465 96

The memorial from Springfield Presbytery recommending McKenzie, Tenn., for the location of our school and also a communication from the city of McKenzie, Tenn., and a communication from the First Presbyterian Church of McKenzie, Tenn., by order of the session earnestly requesting the permanent location of Bethel College in McKenzie, Tenn., have been referred by your honorable body to this committee and have been given due consideration. Inasmuch as the committee will make no recommendation as to any proposal offered, hence deems it wise to ask that these papers be filed as a part of the record.

Your committee has received the following bids and proposals: first, from Memphis, Tenn.; second, from Chattanooga, Tenn.; third, from Jackson, Tenn.; fourth, from Greenfield, Mo.; fifth, from McKenzie, Tenn.; sixth, from Bowling Green, Ky.; seventh, J. E. Eberts. All of which is respectfully submitted to this General Assembly for its consideration.

REPORT OF THE COMMITTEE ON JUDICIARY.

To the Moderator and Brethren of the 91st General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo., May 19-25, 1921:

We have had referred to us the following questions:

1. Memorials from California, Greer, Tulare, Cookeville, and Fort Smith Presbyteries on the question of rotation of Board members.

2. A memorial from the Ozark Presbytery on the question of "double voting."

3. A memorial from Choctaw Presbytery, asking that the report of the committee appointed to draft a Constitutional Amendment be laid on the table.

4. A memorial from New Lebanon Presbytery on Church representation in Presbyterial meetings.

5. The report of the Board of Trustees of the General Assembly.

6. An act to amend an act of the Legislature of Tennessee, to incorporate Bethel College.

7. The report of the committee to prepare amendment to the Constitution on the ordination of women.

Your committee most respectfully reports as follows:

In order to intelligently act on some questions involved, your committee has felt it a duty to construe the meaning of certain words, in a resolution adopted by the General Assembly of the Cumberland Presbyterian Church, in 1910, and amended in 1912, governing the selection and tenure of office of members of the Church Board; said resolutions will be found at the bottom of page 13 of the Preliminary Minutes of the General Assembly of the 91st session and are too well known to need further mention.

It is the opinion of your committee that the resolutions having been regularly adopted became the rules of the General Assembly of the Cumberland Presbyterian Church and should be strictly enforced until rescinded by an act of the said Assembly.

1. Your committee construes the word "new" as it is used in the first of said resolutions with reference to filling of vacancies on any Board to mean different persons from those whose terms expire with the current session of the Assembly. Your committee recommends that the fifth of said resolutions be amended by adding the words, "Provided such nominations shall conform to the regulations of resolutions as interpreted in this report." Your committee further recommends that resolutions 2, 3, and 4, as above referred to, be strictly enforced.

2. In regard to the memorials from California, Greer, Tulare, Cookeville, and Fort Smith Presbyteries, asking this body to revive and enforce the resolutions above referred to, and usually spoken of as the rule in regard to rotation of Church Boards in office, your committee recommends that the request be granted.

3. In regard to the memorials from Ozark Presbytery, asking your venerable body to rescined the act of the General Assembly held in the year 1905, which act is reported in the official Digest of the acts of the General Assembly of the Cum-

berland Presbyterian Church, on page 85, paragraph 13; this being an act purporting to construe our Constitution on the question of "double voting. The right of suffrage is a sacred one and should be protected by every precaution. In a free government where the determination of the great questions is vested in the people it is the mightiest weapon of the weak against the aggressions of the powerful. Correctly interpreted and written into the codes of self-determining peoples, it means that every legalized member of a certain prescribed field of operation shall have one equal voice in the control of the instiutions thereof. All else is destructive of the rights of the individual. In civil life, double voting is a crime, in social life a shame, in the courts of our Church it is fraudulent, sinful and shameful. If the action of double voting is made a crime by our civil governments, it cannot have the sanction of our Church. We, therefore, recommend that the memorial be granted.

4. In regard to the memorial from Choctaw Presbytery, asking that the report of the Committee to prepare a Constitutional Amendment on the Ordination of Women, be laid on the table, your committee feels that said Committee on Amendment was acting under orders of the Assembly, and the proper manner to advance opposition to the proposed amendment would be by motion to reject same by direct vote. We, therefore, recommend that the memorial be not granted.

5. In regard to the memorial from New Lebanon Presbytery, asking the General Assembly to amend the Constitution of the Church, page 95, article 29, so as to read, "Every particular Church which is willing to support the gospel as God has prospered it shall be entitled to be represented by all its ruling elders."

The present manner of representation is a delegated one, which gives to the individual church an equal representation in our Presbyteries. The proposed amendment could become an instrument in the hands of strong congregations to rule and control Presbyteries arbitrarily, but aside from this fact, the memorial does not ask that a Constitutional Amendment be submitted to the Presbyteries. Your committee, therefore, recommends that the memorial be not granted.

6. In regard to the report of the Board of Trustees of the General Assembly, we find nothing requiring our action.

7. In regard to the action of the Legislature of Tennessee to amend an act to incorporate Bethel College, your committee reports that it has examined the said act and finds same in due and regular form.

8. In regard to the report of the committee to prepare an amendment to the Constitution of Ordination of Women. Having carefully considered the danger of constitutional amendments, we hesitate to open the doorway for a flood of changes in our organic law. Never before in the history of the world has the spirit of discontent so brooded over the councils of mankind, but, aside from this consideration the proposed amendment contains nothing new but its wording.

We most respectfully submit that the word "man" with reference to a human being is a generic term, and as used in the Holy Scriptures, our Constitution and the other confessional statements of our Church has no reference to sex, but should be construed to, and does, in fact, include the human being whether male or female.

We therefore most respectfully recommend the rejection of the proposed amendment to the Constitution and recommend that your reverend body construe the word "man," as us in our Constitution, to include both male and female. All of which is most respectfully submitted for your consideration.

W. R. HARBOR,

REPORT OF COMMITTEE ON EVANGELISM AND REVIVALS.

We, your Committee on Evangelism and Revivals, make the following report:

Our Church was born in a revival with an outpouring of the Holy Spirit in power upon the people. Not in the method of signing a card or holding up your hand conversion.

We would urge that the ministry of the Cumberland Presbyterian Church, discountenance the methods of signing cards and holding up hands as conversion.

We should also discontenance the method of some so-called evangelist in sweeping children into the Church without regeneration.

We would further urge that the ministry of the Cumberland Presbyterian Church preach the belief in the Bible doctrines of faith in God, new birth, through repentance, and that we endeavor to make our ministry so forceful on those fundamental doctrines of the Bible that our preaching will be easily recognized from that of the modern evangelist.

We would not discourage any method of evangelism, only that which leaves off repentance and the new birth, for in the language of our blessed Lord, when he said to Nicodemus, "Marvel not that I said unto thee, ye must be born again," but Nicodemus did marvel and said, "How can these things be?"

To nearly all of those taken into the churches by a great majority of the evangelist of to-day, the new birth is as great a mystery to them as it was to Nicodemus.

We believe that the secret of the success of our Church depends on us as ministers, in preaching, repentance, regeneration, and standing for the old-time power, as it was showered down upon our fathers..

That we stand as ministers for the mourners' bench, and a religion that has a testimony behind it or an experience of heart-felt religion.

We are fearful that some of our preachers are drifting away from the altar and to the easy method of accepting Christ or getting religion for the sinner.

In the language of Christ: "Except ye repent you shall all likewise perish."

And we regard this easy way of getting people into the Church as one of the greatest curses to all our people or churches.

Brethren, let us tarry at Jerusalem until we receive the power; and when we get one into the Church who has repented and accepted Christ as their Saviour he is worth a house full of unregenerated ones.

For one regenerated person with Christ will have more power in leading people to the Christ than a house full of unregenerated, for "one shall chase a thousand and two can put ten thousand to flight."

Brethren, let us not forsake the old landmarks of our fathers; and as we were born in a revival, let us keep up the revival spirit in our denomination, though the devil with all his cohorts oppose.

We have considered the report of the Permanent Committee on Evangelism and Revivals, which was referred to us and conferred with some of the members of that committee. It seems apparent that the Church at large has never fully understood the real object of this revival movement which was started at the Bowling Green Assembly in 1912. Therefore the desired ends have never been reached. Henceforth, let it be understood that the object of this movement is not to fall in line with or to adopt the plans and methods of work now very common with many modern evangelists—so called— but to the contrary, the purpose of this movement is to counteract the effects and influences of the doubtful preaching and objectionable methods now so common with many who call themselves evangelists and to enlist the whole membership of our beloved Church in one united effort for a real revival of true and vital religion through the fervent prayers and the preaching of sound doctrine and the use of sound Scriptural methods, always honoring the Holy Spirit in all things, that we may have such a revival throughout the Church and the whole world. From the history of this movement it seems for two reasons at least that the committee have not accomplished what should have been accomplished, the committee being too large, and it has been without funds to meet necessary expenses. Your permanent Committee requests that you accept the resignation of all its members and appoint another. We would recommend:

1. That you accept the resignation of the members of the old committee and that you appoint a committee consisting of five.

2. That Brother J. P. McDonald, Chairman, and Brothers W. S. Marshall, of Nashville, Tenn., H. C. Walton, of Birmingham, Ala., W. Y. Durrett, and Thomas Dyer compose the committee.

3. That the sum of $25 be allowed the permanent committee to carry on its work next year, and that same be paid by the Board of Missions.

REPORT OF THE COMMITTEE ON BUDGET.

Dear Fathers and Brethren: Your committee has made a careful study of all the data placed in our hands, and we submit our report:

We are glad to note that the second year of the operation of the Budget Plan has been a good one, showing, as it does, an increase of offerings gathered over that of the previous year.

However, we feel sure that the work for this Assembly year should mark greater advances than has the past year.

We have duly considered the memorial from the Choctaw Presbytery relative to a closer organization of the Budget Plan, and we find that the Plan, as outlined in the Assembly Minutes of 1919, embodies practically all for which the Choctaw Presbytery asks in the following provisions:

Recommendations.

1. That each Presbytery shall appoint a Budget Committee to act throughout the year in superintending the work of the Budget Plan in the bounds of the Presbytery.

2. That the Presbyterial Budget Committee shall cause a Budget Plan Committee to be appointed in each congregation of the Presbytery.

3. That the Budget Plan Committee of the congregation shall superintend an every-member canvass of the congregation in the interest of the plan.

4. That this plan be continued as the permanent method of financing the Boards of our beloved Church.

5. That we set as our financial goal for the Assembly's year $100,000.

6. That an every-member canvass be made in every congregation. (Including the non-resident members.)

7. We recommend that our Church officials give this their most hearty support and urge that our ministers set the example of giving to this very worthy cause.

8. We recommend that all preachers and Church officials answer all communications received from the Budget Committee.

9. We recommend that the ministers put forth every effort possible to inform their people on the subject, that it might be made the banner year in our beloved Church.

10. We recommend that requests for a share in the distribution of the Budget Fund be made to the Budget Plan Executive Committee on or before March 1 of each year.

11. That the apportionments for the year be as follows:

For Missions	25 per cent
For Education	20 per cent
For Ministerial Relief	20 per cent
For Endowment Commission	5 per cent
For Publication	5 per cent
For Theological Seminary	5 per cent
For Sunday School and Young People's Work	5 per cent
For Tithing	5 per cent
For Budget Fund Campaign	5 per cent
For General Assembly's Stated Clerk and Treasurer	5 per cent
Total	100 per cent

We have had under consideration a memorial from New Lebanon Presbytery concerning statistical blanks, and while we wish to urge that our people will co-operate with the Budget Plan as far as possible, we think it the province of the Assembly's Stated Clerk to make his statistical tables according to his best judgment.

REPORT OF THE COMMITTEE ON MISSIONS.

Your Committee on Missions and Church Erection would respectfully submit the following:

"The field is white unto harvest, but the laborers are few," was never more true than at the present time so far as the Cumberland Presbyterian Church is concerned. When we compare the need of the hour with the available means, both as to men and money, we are brought face to face with the solemn truth of the above statement. From every section of the Church comes the cry, "Come over into Macedonia and help us." From California on the west to Pennsylvania on the east, from the Gulf of Mexico on the south to the Great Lakes on the north comes the same pleading, insistent voice of appeal for help. From far-away China comes no less strongly the call. South America offers fields white unto harvest, and in our own ranks are those who are anxious to go with the gospel of the blessed "whosoever will" plan of salvation.

As your committee has listened to the recital of the needs of the various fields and the earnest plea of each, we have been made to feel very strongly the urge of the injunction, "Thrust in the sickle and reap, for the time is come for thee to reap." It is the solemn conviction of your committee that one hundred preachers and five hundred thousand dollars could be used to wonderful advantage during the next twelve months in the needy fields which are open to us. We are also convinced that the Church has not caught the full vision of its possible service to God and humanity. This is evidenced by the limited funds which have been placed at the disposal of the Board of Missions. We are also convinced that with the Church thoroughly aroused to its opportunities the growth of the Church during the next three years would be unprecedented. Never, perhaps, in the history of our Church have we confronted such appealing field of opportunity as we do to-day; fields which are not simply making a silent appeal in the form of possible development, but fields which are clamorous for development; fields which were at one time, many of them, within the Cumberland Presbyterian fold, and having had a taste of the good fellowship of the Church are hungering for Cumberland Presbyterian shepherds who shall once again lead them into the old fold and restore the old fellowship. They are not new fields to be cultivated, but fields that will respond to the leadership of the Church as an infant to the touch of its mother.

Your committee has endeavored to give careful and prayerful consideration to all matters which have been referred to us, and we submit the results of our efforts for your consideration and ask that you pass favorably upon such recommendations as appeal to you as being to the best interests of the entire Church.

We have had referred to us the following papers:

1. A memorial from Springfield Presbytery with reference to supplementing the salary of pastors and the loaning of money to congregations.
2. A memorial from Tulare Presbytery regarding mission work in Pacific Synod.
3. A like memorial from California Presbytery.
4. A petition from the Pastors' Association of Nashville, Tenn., regarding constructive missionary work.
5. The annual report of the Board of Missions and Church Erection.

We have also conferred with members of the Board and members of the Assembly from various fields in the Church and have sought to decide all questions for the best interests of the Church at large. Your committee has been at a loss to know, in some instances, just what course to pursue.

We submit the following recommendations:

1. Regarding the memorial from Springfield Presbytery, we recommend that the Board of Missions and Church Erection be, and they are hereby directed to set aside 30 per cent of all funds now in their hands and which may hereafter come into their hands as a Church Erection Fund to be used for that purpose, said fund to be loaned to congregations for a period of five years, without interest, payable as follows: One-fifth of said loan to be paid annually with the privilege hereby granted the said board to allow a renewal, for a period not to exceed five years, of such part of the loan as may remain unpaid at maturity, all such loans extending beyond the five-year period to bear legal rate of interest.

We would further recommend that in the matter of the memorial from Springfield Presbytery, asking that the Board of Missions be instructed not to supplement the pastor's salary for a term of more than ten years, that you instruct your Board

to decrease the amount of supplement to the salary of pastors twelve and one-half to twenty-five per cent per annum after the second year.

2. With reference to memorials from Tulare and California Presbyteries in regard to missionary work on the Pacific coast, we recommend that the memorials be not granted for the reason that we do not have available a man for the place at the present time. In this connection we would say that Dr. R. S. Garrett, of Marshall Presbytery, was before the committee and offered his service to do organizing work in the bounds of the Synod under the direction of the Board, and we submit the matter to the judgment of the Board to be disposed of by them as in their judgment seems best for the interests of the cause in the bounds of the said Synod.

3. With reference to the petition from the Pastor's Association of Nashville, Tenn., we recommend the following:

Quoting the language of the petition, "For many years we have been witnessing numbers of young people dedicate their lives to the purpose of God's cause in the Cumberland Presbyterian Church; but as yet there has been no definite work planned and set apart for them to do. We feel that the time has come for this to be done. Many of our country congregations are going to pieces, their members are moving into the cities, and where this is not the condition there are other things that are weakening the country churches, and they become discouraged and in many cases disband. In the cities we find that there are hundreds and even thousands that have moved in from these country churches, but who have never become affiliated with the city churches, and in this way hundreds of members are lost to the Church each year."

We recognize the truthfulness of the above statements and feel that it constitutes one of our problems, but in view of the fact that the Budget Fund is to take care of all offerings of the Church for the various benevolences, we recommend that the request for a special offering be taken one Sunday in each month be not granted, but that the expense of the work proposed in this petition be provided for by the Assembly's Board of Missions.

We, however, recommend that wherever special collections are taken in Sunday schools observing the missions in the Sunday school plan, formerly adopted by the Assembly, that you direct that such offering may either be sent to the Board of Missions or to the Presbyterial Board to be used in their work, but such offerings so used shall be reported to the General Board.

The Assembly, by former action, provided for the organization of Presbyterial Boards of Missions, which we think is sufficient. We also recommend that where it is possible the missionary students of the Church be used for the purpose as set out by the petition as follows:

That the work of these Boards be of this nature: (a) To assist weak congregations. (b) To reorganize disheartened and disbanded congregations. (c) To assist and co-operate with pastors in organized churches in putting on campaigns to reach Cumberland Presbyterians who have come into their locality and endeavor to line them up with the Church. (d) That such persons as have dedicated or shall dedicate their lives for service in our Church be employed to do this work, and that their lives for service in our Church be employed to do this work.

4. We have carefully examined the report of the Board and find that they have extended help to needy fields in the bounds of the following Synods: Alabama, Arkansas, Indianola, Mississippi, Missouri, Pacific, Texts, and Oklahoma. We commend the Board for their evident attention to the many calls that have come to them.

Your committee would suggest that the Board not hold more funds in their treasury than are required to meet the monthly payments to the beneficiaries of the Board. If there are needy fields where the fund can be used to the development of such fields.

The term of office of Rev. Fred C. Hughes and Elder R. C. Ewell expires at this Assembly. We recommend that Rev. T. A. DeVore and Rev. Thomas Dyer be elected to succeed the above named brethren. All of which we respectfully submit.

REPORT OF THE COMMITTEE ON OVERTURES.

To the 91st General Assembly of the Cumberland Presbyterian Church:

Your Committee on Overtures would submit the following report:

First.

There was referred to this committee a memorial from Ozark Presbytery asking that a new Synod, to be known as the Southern Missouri Synod, be created to include the following Presbyteries: Ozark, Springfield, West Plains, and West Prairie. To us was also referred a memorial from Springfield Presbytery which contained a prayer to this General Assembly to refuse to grant the request for a division of Missouri Synod.

Your committee is unanimously of the opinion that it would be most unwise to create a new Synod by dividing Missouri Synod, and it recommends that the request of Ozark Presbytery be denied, and that the prayer of Springfield Presbytery be heeded, and that no change be made in Missouri Synod.

Second.

In the matter of the report of the Committee on Legal Finance given to us for consideration we would recommend:

1. That the claim of Rev. J. T. Coleman for clerical services for five years, amounting to $250, be allowed.

2. We recommend that the resignation of the members of the present committee be accepted, that they be relieved from further duty on said committee and that their services be acknowledged by the thanks of the Assembly.

3. We recommend that the Committee on Legal Finance be continued with a new personnel to be named by the Moderator at the present session of the General Assembly, and that one of its members be the Stated Clerk of this Assembly who shall be the Secretary and Treasurer of the new committee.

4. In order that the remainder of the fund to pay the obligations for which the committee was organized, may be raised speedily we suggest that the Presbyteries which have failed to pay their full quotas be urged to do so at the earliest date possible, and we suggest that they assess their membership five cents per capita per year until their quotas are paid in full, which plan has proven successful in Presbyteries where it has been tried.

Third.

Regard the report of the Rev. A. C. Biddle, the compiler of the New Cumberland Digest, your committee would recommend that inasmuch as the duties required of the Rev. Biddle as compiler have been fully performed that he be discharged with the grateful thanks of this General Assembly for his splendid efforts and untiring zeal in compiling and having published this most useful book.

We would further recommend that the existence of this Digest be brought to the attention of every minister and ruling elder in the denomination, and that they be urged to secure a copy of the same. Especially would we urge that the Stated Clerk of each Church session, of each Presbytery and of each Synod, be furnished with a copy.

Fourth.

Your committee has given consideration to the annual report of the Committee on Prohibition, and we would recommend that this General Assembly go on record as endorsing and concurring in the facts stated and the sentiments expressed in said report.

Fifth.

Your committee had before it the appeal of Rev. C. H. Walton from the action of Pacific Synod at its session held at Fresno, Cal., October 14, 17, 1920, in directing the Moderator of Los Angeles Presbytery of said Synod to issue a letter of dismissal and recommendation to the Rev. W. L. Williams. We find from an examination of the minutes of Pacific Synod for said session, which minutes were before our committee as evidence, that said Pacific Synod did order the Morderator of Los Angeles Presbytery to issue such letter, and we further find from the testimony of the Rev. W. L. Williams, taken before us, that the Moderator of Los Angeles Presbytery did, by telegram, wire such letter of dismissal and recommendation, and that such letter

so wired by said Moderator was presented to and received by California Presbytery two or three days later and the said Rev. W. L. Williams was admitted to membership in said California Presbytery by virtue of said letter. We, your committee, find that said Pacific Synod did not, under the laws of our Church, have the right to direct the Moderator of Los Angeles Presbytery to issue said letter, and we further find that said Moderator did not have the right, under our laws to issue said letter by telegram, or otherwise, and said letter so issued, your committee finds to be illegal and void, and we further find, by reason of said facts, that the Rev. W. L. Williams is still a member of Los Angeles Presbytery, and that he is not a legal Commissioner of this Assembly, having been elected as Commissioner from California Presbytery.

Sixth.

The appeal of Mrs. Emma R. Means, of Los Angeles Presbytery, from the action of Pacific Synod at its session held at Fresno, Cal., October 14-17, 1920, in failing to sustain her appeal from the action of Los Angeles Presbytery in disposing of charges preferred against Rev. W. L. Williams in special session of the Presbytery, November 6, 1919, and adjourned session of December 9, 1919, was referred to us. After considering the entire record in the cause and hearing the testimony of Rev. W. L. Williams, Rev. C. H. Walton, Rev. J. W. Means, and Rev. W. M. Freeze, we are of the opinion and so find that the Los Angeles Presbytery was in error in not hearing and disposing of the charges against the Rev. W. L. Williams, and we further find that the Pacific Synod was in error in not sustaining the appeal of the said Mrs. Emma R. Means. Your committee further finds that the charges against the said Rev. W. L. Williams, to wit, insubordination, violation of his ordination vows, trying to destroy Highland Park Cumberland Presbyterian Church, and making and recording deed to property of the First Cumberland Presbyterian Church, a religious corporation of Los Angeles, Cal., to the Board of Missions, without the consent of the Board of Directors of said Church, are of a serious nature, and from the evidence of the witnesses appearing before us, and the documentary evidence filed with us we are convinced that a trial should have been had by said Los Angeles Presbytery of said charges and a proper and legal disposition of said charges should have been made by said Presbytery, and we recommend that this Assembly direct that such charges be set for hearing by and before the Los Angeles Presbytery, and for such purpose we recommend that the matter be remanded to such Presbytery.

Seventh.

A communication from the Synod of Reformed Churches in Slovakia and Rusinsko asking for an offering to assist in defraying the expenses of their delegate to the National Council of Reformed Churches was referred to this committee.

As the appeal does not appear to be for funds to relieve any distress or to spread the kingdom of our Christ, and, inasmuch as the Cumberland Presbyterian Church is not amember of the Alliance of the Reformed Churches, we recommend that no reply be made to the appeal.

Respectfully submitted,

HENRY H. DENHARDT, Char.,
W. E. HUDGINS, Secretary,
O. A. BARBEE,
C. L. BERRY,
S. B. McNEELY.

REPORT OF THE COMMITTEE ON PUBLICATION.

To the Moderator and Brethren of the Ninety-First General Asssembly:

We, your Committee on Publication, Sunday School and Young People's Work would report as follows:

We have had placed in our hands the various reports and memorials, touching the matter of publication and have considered each and every item both carefully and prayerfully. We are very highly gratified to read and ascertain from every source that, although the past year has been the most trying year in all the history of the printing business, yet our Board of Publication seems to have made a very good showing. We notice, however, that The Cumberland Presbyterian is not yet upon a paying basis, which is not surprising, as almost all such periodicals have either been

forced to suspend, combine, or raise their subscription price; but we suggest that it is not the intention or purpose of a Church paper or periodical to make money, but to teach the doctrine of the Church, publishing the periodical and to advocate each enterprise of the Church. We would urge that The Cumberland Presbyterian be placed in every home in the Church.

We have had before us the Manager's report which shows the credit of the house to be in good condition and recognized by the business enterprises in the city of Nashville. We have had before us the memorial from the Synod of Missouri, regarding the publication of the Minutes of the General Assembly. We have ascertained by careful inquiry that the delay in printing these minutes was not the fault of the Stated Clerk of the General Assembly nor of the Publishing House, but on account of the need of a monotype machine to prepare statistical tables.

We have had before us the memorial from New Lebanon Presbytery relative to the grading of Sunday school literature, and we also had samples of the different kinds of graded literature and by careful comparison find to our satisfaction that for our use as Cumberland Presbyterians, our own system of grading seems best and therefore we would recommend that this memorial be not granted. We believe the time is at hand for the preparation and publication of a teacher's manual or quarterly and recommend that the President and Secretary of the Board of Publication, together with the editor of the Sunday school literature be a committee to prepare this manual. We wish to commend the editor of the Sunday school literature, both for the splendid literature he is sending out and his energy in promoting the Sunday school interests everywhere.

We further suggest that whatever suggestions for the betterment of the literature anyone may have be sent to the editor of the Sunday school literature. We have had before us a communication from Rev. W. T. Dale, relative to his songbooks, but do not deem it wise to longer lend recommendations of the Church to a private enterprise.

We have had before us the report of the historical society recommending selection of some one to undertake the writing of the advanced history of our Church. We would recommend that the Rev. S. H. Braley, D.D., of McKenzie, Tenn., be asked to undertake this work, if satisfactory arrangements can be made with him.

We note that the term of office of the Secretary and Treasurer of this society, Rev. B. J. Reagin, expires at this time. We would recommend the selection of a society of three or five more closely associated than the present society.

We have had before us the memorial from Logan Presbytery, asking that the restrictions placed upon the Board of Publication concerning commercial printing be removed and in our judgment this should be done. We therefore recommend that this memorial be granted.

We have had before us a memorial from Obion Presbytery, asking that the editor of The Cumberland Presbyterian and the business manager be not re-elected, but that others be selected to succeed them. We believe that the General Assembly selects the different Boards to transact the business placed in the hands of said Boards, and according to the instructions of the past Assembly, the Board of Publication should and does employ and dismiss its employees therefrom. Therefore we recommend that this memorial be not granted, but owing to dissatisfaction and disaffection, caused by the lack of harmony of plans, we recommend that this Board proceed just as soon as suitable arrangements can be made to make whatever changes may be necessary for the sake of the peace, purity, and harmony of the Church

We note that the term of office of Revs. J. W. Stiles, J. H. Zwingle, and W. B. Duck expires at this time. We would recommend that Rev. Charles R. Matlock, Cleveland, Tenn.; Rev. W. Y. Durrett, Nashville, Tenn.; and Rev. J. M. Cook, Loudon, Tenn., be elected to fill the vacancy thus caused.

Respectfully and prayerfully submitted,

REV. CHARLES WAGGAMAN,
REV. H. C. WALTON,
REV. B. J. REAGIN,
G. M. BRINTON,
J. L. KING.

REPORT OF COMMITTEE ON TITHING.

To the 91st General Assembly we have had referred to us the report of the Board of Tithing. Which shows the greatest progress of any year since the organization of the Board. Your committee recommends that this Assembly extend to this Board the greatest possible encouragement. And that we recommend the endorsement of the recommendations submitted by the Board, which are as follows:

1. That each minister preach at least one sermon on tithing to all his congregations in the month of June and report the same to the Secretary of the Board of Tithing.

2. That each Sunday school superintendent give at least a few minutes time to the tithing questions in the quarterlies.

3. That each teacher read or comment upon the tithing question.

4. That each congregation appoint a Tithing Secretary.

5. That every Cumberland Presbyterian give one-tenth of his or her income to the cause of the Lord.

6. That the Assembly co-operate in the "Educational Church Revival" program.

We also note that the term of office of the members of this Board expire at this meeting of the Assembly—Rev. Charles R. Matlock, Cleveland, Tenn.; Rev. W. Y. Durrett, Nashville, Tenn.; and Elder S. M. Gough, Gordonville, Ky. We recommend the following members be elected to succeed them: Rev. W. D. Parrish, Nashville, Tenn.; Rev. W. S. Marshall, Nashville, Tenn.; and Elder Howard Scott, Nashville, Tenn.

Respectfully submitted,

T. C. NEWMAN, Chairman,
IRA S. BARGER,
G. C. FINLEY,
J. M. HOLLEY.

REPORT OF THE COMMITTEE ON EDUCATION.

To the 91st General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo.:

Dear Brethren: Your Committee on Education reports as follows:

Knowing the need of a definite and progressive educational plan in our Church, after reading the report of the Board of Trustees of Bethel College, recommend as follows:

1. That the action of said Board in the election of the faculty as follows: N. J. Finney, President Emeritus, G. W. Burroughs, President, B. F. Hooker, Charles H. McCord, R. L. Keathley, Miss Nellie E. Grigsby, Mrs. Gladys Guynn Kelly, piano teacher, Mrs. A. I. Dennison, voice, be ratified. We recommend the Board in the selection of said faculty.

2. In reference to the request for an appropriation of $10,000.00 for operating expenses for one year, we recommend that you instruct the Endowment Commission to pay the Board of Trustees of Bethel College seventy per cent of all the interest accruing, and that it is the sense of this Assembly that full amount asked for be furnished from some source.

Final report of the old Synodic Board of Trustees of Bethel College which was referred to us asks that they be discharged, their duties having been completed. We recommend that request be granted.

We recommend Rev. C. A. Galloway, of Jackson, Tenn., to succeed Rev. W. H. Butler, of Knoxville, Tenn., Rev. A. L. Thomas, of Erin, Tenn., to succeed W. J. Davidson, of Union City, Tenn., Elder J. W. Burney, of Union City, Tenn., to succeed Porter Mullins, of Trezevant, Tenn., to the Board of Trustees of Bethel College.

We have had the report of the Board of Education before us and wish to commend the Board for its support in the past year of the young men and women of our Church in securing an education. We also commend it for its support of Bethel College.

We rejoice in the fact that no young man or woman has had to leave school during the last term for lack of funds, and hope that all Presbyteries will take notice of this fact and encourage their boys and girls to avail themselves of this opportunity. We are also glad to state that this Board is proposing to support the College again this year to the extent at least of $1,000.00.

We recommend that W. E. Hudgins, Union City, Tenn., to succeed Rev. A. C.

Biddle, of Clarksville, Tenn., Rev. R. M. Rucker, of Trezevant, Tenn., to succeed J. W. Burney, of Union City, Tenn., Rev. J. W. Dishman, Milan, Tenn., to succeed Rev. C. A. Davis, Salisbury, Tenn. Respectfully submitted,

A. C. STRIBLING.
W. I. SWARTZ,
D. R. TERHUNE.

REPORT OF COMMITTEE ON THEOLOGICAL SEMINARY.

To the 91st General Assembly of the Cumberland Presbyterian Church, in session at Greenfield, Mo., May 19-25, 1921:

Dear Fathers and Brethren: Your Committee on Theological Seminary would offer the following report:

Your committee has carefully considered the report of the Board of Trustees of the Theological Seminary and note the election of Rev. P. F. Johnson, D.D., Dean of the Theological Seminary, and Rev. W. H. Butler, as teacher, at salaries of $1,800.00 each for the year 1921-1922, the faculty to devote twelve month's time in service to the Seminary. After prayerful consideration, your committee asks for your approval.

We call your attention to the fact that the term of the members of Class 3 of the Board expires at this sitting of the Assembly—namely: Rev. Hugh S. McCord, Rev. T. C. Newman, and Rev. J. H. Thomas.

We recommend the election of the following to succeed the above named brethren: Rev. J. R. Morris, Petersburg, Tenn.; Rev. J. E. Cortner, Dyersburg, Tenn.; Dr. W. M. Burton, of Lawrenceburg, Tenn.

Your committee having carefully considered the needs of the Seminary for the coming year would recommend that twenty per cent of the accrued interest from the Endowment Fund be used to satisfy this need for 1921-1922.

We heartily commend the method employed by the faculty of our Seminary in keeping an accurate record of work done by the students.

We endorse the recommendations of Rev. C. A. Galloway, member of the Theological Seminary, Visitation Committee, and ask for your approval. (See Preliminary Minutes of General Assembly, 1921, page 167-168.)

T. A. DEVORE, Chairman,
REV. CHARLES H. WALTON,
CHARLES E. HAEFELE,
L. T. HESTER,
REV. W. F. PRESLEY.

REPORT OF COMMITTEE ON ENDOWMENT.

To the General Assembly of the Cumberland Presbyterian Church in session at Greenfield, Mo., May 19-25, 1921:

Your Committee on Endowment reports as follows:

We recommend: 1. That the Endowment Commission be commended for the consecration and the energy that they have brought to the colossal task committed to them; that we urge the unstinted co-operation of the church with the commission in the putting forth of their concentrated efforts to reach with in the ensuing year the goal to which our aims are directed.

2. That the vacancy in the personnel of the Endowment Commission created by the resignation of Rev. J. L. Hudgins be filled by the appointment of Dr. F. E. Perkins, of Birmingham, Ala.

3. That the Endowment Commission be instructed to pay the Board of Trustees of Bethel College seventy per cent of all interest or proceeds on Endowment to maintain the literary school at McKenzie, Tenn., for the year 1921-1922, and that they pay 20 per cent to the Trustees of the Theological Seminary for the maintenance of the Theological Institute for the corresponding period.

4. That ten per cent of the interest on Endowment be used by the Endowment Commission to pay its operating expenses, also five per cent of Budget previously allotted to the Theological Seminary. Respectfully submitted,

THOMAS JOYNER,
A. D. SALISBURY,
S. B. RUDOLPH,
R. S. JOYNER,
MRS. LINDA RUST,

REPORT OF THE MINISTERIAL BENEFIT ASSOCIATION.

Fathers and Brethren of the Ninety-First General Assembly of the Cumberland Presbyterian Church, assembled in the city of Greenfield, Mo.:

As your representatives looking after the interest of the Ministerial Benefit Association, that was incorporated by your order in 1911. At that time there were one hundred and twenty-five paid members. I feel that I am due a report concerning these years.

Since your meeting at Bowling Green, Ky., I have been serving you to the best of my ability. The business was put into my hands by Rev. J. W. Wyckoff, with a death notice to be met with $55. There have been thirty-one assessments, and that means that thirty homes have been helped by this Association. Thirty deaths in ten years is not so bad after all. There were only thirty-four members that responded to the ninth call—the first made by your servant. Rev. W. R. Reynolds, beneficiary, received the $34. The tenth call was made and fifty-one members responded.

Rev. John Hudson, the next death. His good wife wrote us of his death and said to me, "You use my benefit in the interest of the Association, as I can live without it." So I used it in settling some claims that seemed to me should be done and in having some printing done for the Association, which I believe was the key that opened the door of opportunity for the success of your Association. I have always felt that both the Church and Ministerial Benefit Association owe and will give her the honor she deserves.

It has been in the minds of our ministers that the Association is a good thing, but few have given it the help needed. While I have not had the co-operation that this cause demanded, yet no one can appreciate what has been given more than I.

I have used every means in my power to get my brethren to help not only in numbers, but by suggestions and advice. I have called for voluntary helpers from each Presbytery in vain, with one exception. At the meeting of your Assembly at McKenzie, Dr. R. S. Garrett very generously accepted the call and said to me that he would see that every member of Presbytery should be members, and I am glad to say I have the names not only of his ministers, but their wives. What a meeting we would have had, if just one member of each Presbytery had been so loyal. May I ask you to hear Dr. Garrett tell us of his work. It has been my aim to make this benefit worth while, and the only way to do it is for every one to join us and at the same time it has been my desire to make the Association self-sustaining. It cannot be done by having spasmodic members, but members of stickability. To secure this end, I have eliminated all red tape. It can be seen by examining my books that I have formulated a plan of bookkeeping that makes the work of the secretary easy, and with your hearty co-operation it will not be long until it will be made plain that no salary will be needed. I believe that the ten cents per member will defray all necessary expenses. It would be quite a help to have one up-to-date ledger with loose leaves fashioned to the mind of your secretary.

May I ask that this Assembly urge the clerks of Synod and Presbyteries have their entire membership of ministers, with their wives members of this Association. At a former meeting of your Assembly, ministers were urged to ask the congregations to pay assessments when their salaries demanded it.

May I ask you to consider this proposition. Have the pastors of each of your 1,400 congregations explain the claims of the Association and take a collection to be known as the Death Contribution and send the amount received to your Secretary and Treasurer; the same to be paid out to the beneficiaries of the pastors, $1,000.00 each, the surplus to remain in bank until another death, and so on until the amount has been exhausted. Pastors complying with your request be considered members.

When notice has been given the collection must be repeated. Any pastor refusing to comply with your request shall not be entitled to benefiit.

It is in the mind of your Secretary and Treasurer that the time is near, that we can add to the death benefit, sick and accident, also. This cannot be done without a united effort. May I ask that you sanction a permanent committee, whose duty shall be to give their influence and advice and render such help as is necessary. Such work to be done by correspondence. The personnel of the Committee to be Dr. Robert S. Garrett, Chairman, O. A. Barbee, D. W. Fooks, T. J. Tanner, Charles A. Galloway, J. A. Bogarth, and J. A. Rogers. Dr. W. A. Burton to be assistant Secretary, without salary.

Respectfully, Wm. M. NEELLEY.

REPORT ON THE COMMITTEE ON MINISTERIAL RELIEF.

We, your Committee on Ministerial Relief, beg leave to submit the following report:

We have reviewed the report of the Board and considered all memorials and papers submitted to us.

The Board has had a successful year and have met all the reasonable demands made upon them. The Board has cared for forty regular beneficiaries, one minister in the Home, and eighteen children; total, fifty-nine.

Three of our aged ministers have entered into that rest prepared for the children of God.

The memorial from your Board sets forth the following:

That the Home at Bowling Green, Ky., is not the property of the Church; that on account of the present location of the Home it is inadequate to meet the needs of an Orphan's Home.

As to the contention of the Board as to the title of the Home you Committee has not sufficient records upon which to pass.

Your committee would call your attention to the conditions upon which children are eligible for admission into the Home:

1. "The Board shall give preference first to needy orphan children of Cumberland Presbyterian parentage of Bowling Green and Warren County, Ky.

2. To needy orphans of Bowling Green and Warren County, Ky., of any religious persuasion.

3. To needy orphans of Cumberland Presbyterian parentage residents of any of the United States or Territories." (See will of Miss Victoria Jackson.)

We find from a statement of Judge H. H. Denhardt that the Home in Bowling Green is well adapted to the needs of old people and that the title may probably be cleared.

We recommend: 1. The ratification of the action of your Board in electing a committee to investigate such sites as may be suitable for the location of a Home for orphans and aged ministers and their wives and widows.

2. That they consider no site that cannot be owned and controlled by the Cumberland Presbyterian Church.

3. That the resignation of W. H. Hutchinson, Rev. J. M. Cook, and Rev. J. E. Cortner be accepted.

4. That H. J. Fraf, Evansville, Ind., Rev. J. A. Hill, Marion, Ill., Chas. E. Haefele, Fairfield, Ill., be elected as members of the Board.

5. The following named persons be elected to fill out unexpired terms: Rev. B. L. Scroggs Chandler, Ind., the unexpired term of Rev. W. H. Hutchinson, Rev. Russell Tatum, Auburn, Ky., the unexpired term of Rev. J. E. Cortner, Elder S. M. Gough, Gordonsville, Ky., the unexpired term of Rev. J. M. Cook.

6. That the Board of Ministerial Relief be allowed twenty per cent of the Budget Fund.

Respectfully submitted,

J. W. DISHMAN,
W. L. R. WEST,
F. W. CREAGER,
DR. J. P. CAMPBELL.

REPORT OF AUDITING AND FINANCE COMMITTEE.

To the Moderator and General Assembly of the Cumberland Presbyterian Church, in its 91st session at Greenfield, Mo., May 19 to 25, 1921:

Brethren: We, your Committee on Auditing and Finance, submit the following report:

We have examined and found correctly and neatly kept the books of the following Boards and Committees: Board of Education, Budget Committee, Budget Plan Campaign Fund, Board of Tithing, Board of Missions, Stated Clerk and Treasurer and General Traveling Secretary, D. W. Fooks, Financial Exhibit of Treasurer of Board of Trustees of Bethel College.

We have also had before us the books and records of the Treasurer of the Board of Ministerial Relief and find these books neatly kept, but a discrepancy of $28 being this much short, which the Treasurer will make good.

You will note by the Preliminary Minutes of this General Assembly that the

accounts of the Board of Publication, Sunday School and Young People's Work, Board of Theological Seminary, and Endowment Commission have been audited by public accountants, who make affidavit to their accuracy.

We have not had before us the records of the Treasurer of the Committee on Legal Finance, therefore, can make no report on this record.

We find that the Stated Clerk has paid to Rev. A. C. Biddle $71.31, without authority of the General Assembly, but it is now understood that this amount is to be returned to him by the New Cumberland Press as soon as the sale of the Digest will justify.

We have had before us a memorial from the Educational and Endowment Commission, asking this Assembly for authority to pay from its funds an expense item of $188.24 incurred by the committee created by the last General Assembly to receive bids and proposals on school location, also we have had referred to us the report of the committee to receive bids and proposals, by which we find that altogether the committee has incurred an expense of $465.96; therefore, we recommend that the Educational Endowment Commission be authorized to pay the said $465.96.

Also, we have had referred to us an expense item of $5.50 incurred by Mr. M. R. Graham, in a trip to Nashville, Tenn., last July in the Bell will case, as Secretary, Assembly's Board of Trustees; again, we have before us an expense item of $10.75 incurred by Rev. C. A. Galloway in visiting the Theological Seminary at McKenzie, Tenn., in the last two years, and we recommend that the Stated Clerk and Treasurer of the General Assembly be authorized to pay out of his funds the two above mentioned amounts.

The Stated Clerk and Treasurer recommends the reduction of his salary from $1,200.00 to $900.00 per year, but your committee fails to believe that this is wise, therefore we recommend that Rev. D. W. Fooks be retained as the Stated Clerk and Treasurer and General Traveling Secretary at a salary of $1,200.00 for the next Assembly year.

Believing it to be a good business principle, we recommend that every Board, Committee, or Agency created by the General Assembly, handling funds, have its Treasurer bonded by some reliable Surety Company in an amount equal to 80 per cent of the probable maximum amount of the funds usually in its treasury.

Respectfully submitted,

T. J. TANNER, Chairman,
JOHN R. GRANADE,
J. P. McDONALD,
W. S. MARSHALL.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

Your Committee on Sabbath Observance would report as follows:

We reverence the word that says, "Remember the Sabbath day to keep it holy." We fear that many of the disasters coming to us as a nation and as individuals come as a want of Sabbath observance.

We do not believe that men or nations can violate God's law without suffering, both temporal and spiritual, loss, any more than we can violate the laws of health and escape its consequences.

Hence, we recommend that our Church go on record as opposing all forms of Sunday desecration and that we discourage the printing and reading of Sunday newspapers.

We recommend that this Assembly ask all of our State courts and the Legislatives bodies of the United States of enact the very strongest Sabbath observance laws that can possibly be enforced without causing the destruction of property. We believe that God's word warrants the caring for our stock or other property that would suffer greatly if we did not do some work on the Sabbath day. As to the paper from Noah Webster Cooper, we recommend that we are in sympathy with every effort to increase the reverence for the Sabbath that does not tend to the demoralization of any legitimate business. Jesus said: "The Sabbath was made for man and not man for the Sabbath."

J. M. RUSSELL,
B. L. SCROGGS.

W. M. BURTON.

PACIFIC SYNOD.

Moderator and Commissioners of the General Assembly:

Your Committee on Minutes of Pacific Synod have had under review the official minutes of that body held at Fresno, Cal., October 14-17, 1920; also a communication addressed to this body by Rev. J. W. Means, and others directing our attention to certain things contained in the minutes and asking us for a deliverance on certain questions concerning this Synod. It is our judgment that most of the question raised are either of the nature of overtures or of a nature so technically judicial as not to come within the providence of this committee.

We find on page 7 of the minutes an item to which we direct your attention. Pacific Synod directed the Moderator of Los Angeles Presbytery to grant a letter to a member of Los Angeles Presbytery against whom charges appear to have been pending. It is our opinion that under the conditions, the Synod did not have the right to instruct even the Presbytery to grant such letter because of the pending charges. Under no condition did they have the right to instruct the Moderator to assume prerogatives constitutionally resident in the Presbytery itself.

We therefore recommend that you direct Pacific Synod to rescind this action.

We find the minutes in regular form and neatly kept; we commend the Synod for the energy, progressive ideals, and profound spirituality that are evidenced by the record before us.

Respectfully submitted,

THOMAS JOINER,
W. T. MARSHALL,
JAS. J. BROOM.

TENNESSEE SYNOD.

We, your Committee on Minutes of Tennessee Synod, would report that we have examined aforesaid minutes carefully and find them full and complete. No errors occruing, and that they are in accord with our Confession of Faith and Rules of Practice.

Respectfully submitted,

REV. J. S. GRABIEL,
ELDER J. H. GLENN,
ELDER A. J. WRIGHT.

TEXAS SYNOD.

Your committee have examined the Minutes of the Texas Synod of October, 1920, and find them correct, no departure from the rules of the Church. Much in the minutes to be commended. The Synod is aggressive in the work of mission within its bounds.

Signed by the committee.

W. M. FREEZE,
S. H. HUMPHREY,
F. J. CARTER.

WEST TENNESSEE SYNOD.

We, your Committee on the Minutes of West Tennessee Synod, beg leave to make the following report:

On examination of the minute we find the minute fairly correct. We notice in the missionary service it does not give the amount of the offering laid on the table, with that exception, we find the minute to be correct in full.

We find the recommendation of the minute to be on the right line.

Submitted by the committee,

E. R. DUGGINS, Chairman,
M. E. JEFFERY,
J. B. JONES.

STATISTICAL TABLE

I.

CHURCHES AND PASTORS

Arranged According to Alphabetical List of Synods.

(SPECIAL NOTE.—The following tables of church and Sunday school forms contain many typographical errors. To correct them meant to send the entire matter back to Clarksville, Tenn., which meant another delay of ten or fifteen days. So far as we are able to find, they are most, if not all, in the names of churches and individuals. Prayerfully overlook these this time, please.—Stated Clerk.)

1. These statistics are very imperfect. Complete list of churches of any Presbytery will be found under Church Statistical Tables.

Footings in these reports have been verified.

3. Many churches did not report a Sunday school because they had union schools, but all such should have reported in full and indicated the union school by a star(*).

4. This effort at getting complete Sunday school and other statistics with them will be kept up until we get full reports from all churches.

5. Stated Clerks and Sessions will do much better next year. Let Presbyterial Stated Clerks push the matter. Insist on full reports, and that every space in the blank to the church shall be filled out.

6. These reports are not "padded." We will collect Assembly tax upon every resident member reported herein.

7. This arrangement is according to alphabetical list of Synods, with Presbyteries alphabetically arranged under Synod.
